

Adult Sensory Service

Having a sight loss, hearing loss or both can affect:

- Communication
- Access to information
- Social and emotional wellbeing
- Managing day to day living
- Getting out and about
- Employment

A FACE Living Independently with Sensory Needs assessment could help you find solutions to managing your sight and/or hearing loss.

To be referred or self-refer, please contact Adult Triage:

Telephone: 0208 227 2915
Email: intaketeam@lbbd.gov.uk
Address: Dagenham Library
1 Church Elm Lane
Dagenham RM10 9QS
