Meal Mate

**An affordable way to enjoy
delicious hot meals**

We understand that times are really tough right now. That's why the London Borough of Barking and Dagenham are working with local community partners to provide discounted hot meals for anyone affected by the cost of living crisis.

Through our brand new not-for-profit food delivery app, Meal Mate; you can get your hands on tasty hot meals starting at just £2 and delivered straight to your door.

How to order subsidised meal on Meal Mate

1 Download the app

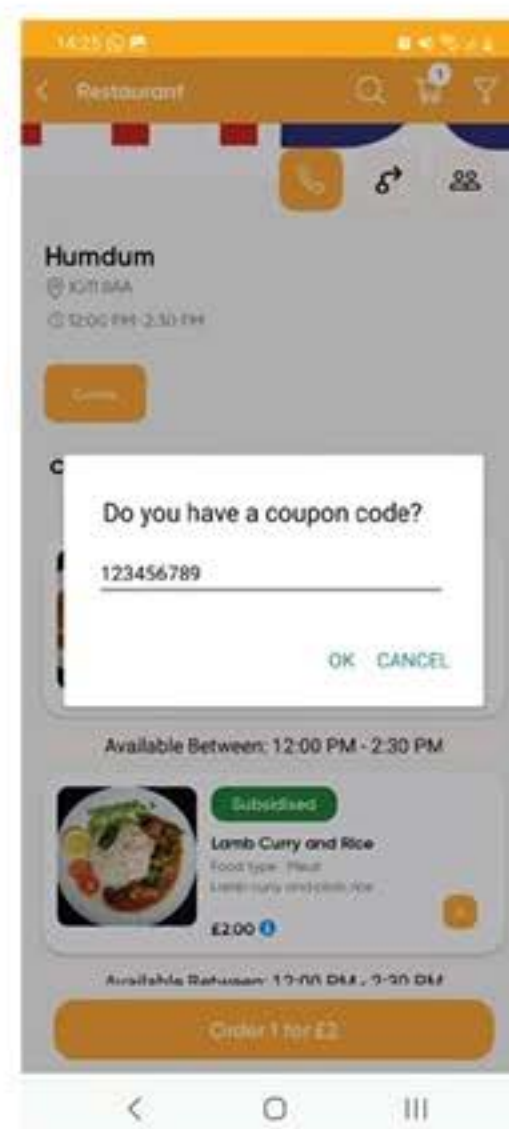

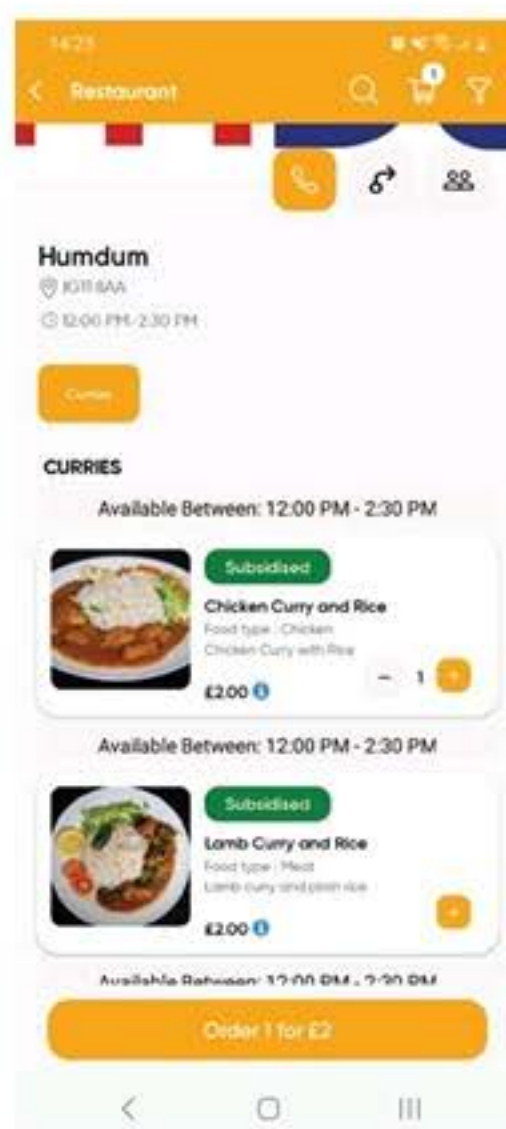

Download the Meal Mate app from the app store from IOS or Playstore for Android and create an account on the app with your details.

2 Place your order

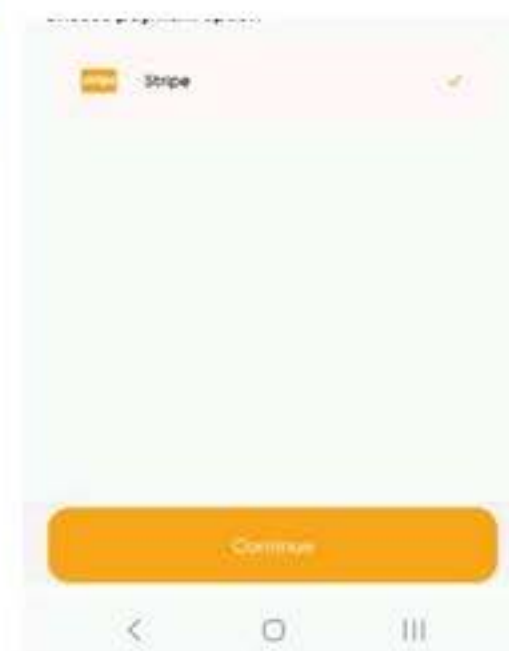

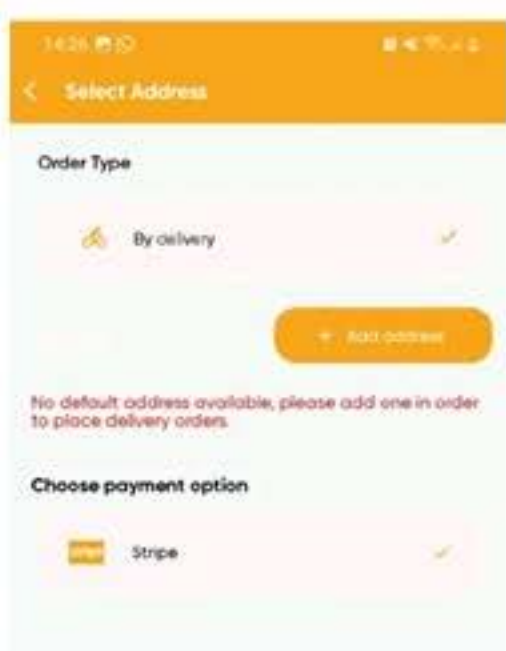

Browse through the restaurant and select a subsidised meal - these are marked in green and start at only £2. Enter the one-time coupon code which was assigned to you and place your order.

You can get a coupon from our partners below or from the Meal Mate customer service line on 020 8156 6681 or email mealmate@streettag.co.uk

3 Check Out

Complete your order by entering your address and paying by card at checkout.

4 Enjoy your meal!

PS: Please note that for our £2 hot meal service, we use batch delivery which can take up to 2 to 3 hours. But don't worry, we take special measures to keep food warm. Just don't forget to get your order in ahead of time!
