Barking & Dagenham College

Barking & Dagenham College - (Technical Skills Academy)

Summary

(What the service provides, the duration and accreditation opportunities)

This purpose-built, professional, and technical training campus is located right in the heart of Barking Town Centre. It delivers vocational training specifically for 16-18 years old, from Entry Level to Level 3.

Full-time, 1 year, courses are available in:

- Hair & Beauty
- Media Make-up
- Plumbing
- Food Studies
- Childcare
- Business Studies
- IT
- ESOL 16-18

Eligibility

(Age, Target Groups, Geographical Areas Targeted)

- 16 to 18 years old

Contacts

(Phone and email to refer / for further information)

Tel: 020 8090 3020

Email: engagement.services@bdc.ac.uk

Summary

(What the service provides, the duration and accreditation opportunities)

No prior attainment needed.

If you are a young person aged 16-18 (or up to 25 if you have an EHCP) and interested in an apprenticeship in IT or Business Administration, our Route to Employment course prepares you for employment, further training, or an apprenticeship by giving you the qualifications, skills and work experience employers are looking for.

If you do not already have your English and/or maths GCSE grade 4 or above, we offer up to level 2 Functional Skills in English and/or maths or GCSE retake if you achieved a grade 3. The course is delivered flexibly up to 4 days per week (with potential for some online learning) so you can continue to work part-time.

On the course you will receive:

- Sector specific employability, ·Work experience.
- Personal social development i.e. work preparation, confidence building.
- Careers advice and guidance
- One-to-one coaching and mentoring
- Access to corporate partners and volunteers such as IBM, NatWest, BBC
- Access to our weekly food bank as well as daily breakfast provided
- Financial support to help cover costs such as travel, food, and childcare (eligibility applies)
- Learner voice forum – your opportunity to have your voice heard and share your comments, feedback, and ideas
- And the best part...all of this is delivered in a relaxed yet corporate location and environment

Eligibility

(Age, Target Groups, Geographical Areas Targeted)

·Aged 16-18

·Live in London

·Not in full-time education, or in full-time employment

This course is available with regular intakes throughout the year.

Summary

(What the service provides, the duration and accreditation opportunities)

ReBuild Programme

City Gateway has a dedicated programme which provides opportunities and/or courses, either in-house or externally, for ex-offenders and those on the brink of offending, residing in Tower Hamlets. We support young people to improve their current and future career opportunities and lessen the chances of offending and reoffending. Our ReBuild programme includes intensive and personalised coaching, training, and career advice, assisting them to gain sustainable employment, education, and training. Learners will also develop enhanced personal capabilities such as confidence, resilience and self-awareness whilst participating in the programme. Progressions and outcomes from this programme include:

- Apprenticeships in Business Admin and IT
- Paid employment
- Maths and English Functional Skills (up to level 2)
- Employability skills and experience

Eligibility

(Age, Target Groups, Geographical Areas Targeted)

Entry requirements:

- Aged 16-24
- Live in Tower Hamlets

This programme is available year-round.

SUMMARY

Links Media College is an Ofsted registered education provider, providing full-time provision of learning for young people.

Through a combination of studio and classroom led teaching in our state-of-the-art purpose-built recording studio and media suite (classroom).

Learners will enrol on a 16-week programme of learning, studying towards accredited

- Level 2 Certificate in Music Technology
- Functional Skills; English & Maths, entry
- Level 1 to level 2 (GCSE Grade 4-9 / A* to C)

Learners will have an embedded enrichment programme with a focus on employability skills, personal development & wellbeing, and support to identify positive progression pathways.

We want our learners to feel comfortable and fully supported in their studies, and so we keep our numbers lower than most other colleges with our maximum class size being 15 learners.

Our team will work to tailor a programme of learning meeting the individual needs and goals of our students. This means the amount of time a student spends with us will depend on the programme we co-develop

ELIGIBILITY

Young people who are Not in Education, Employment, or Training.

Age.

-16 to 19 (NEET)

-From 14, if Electively Home Educated

-Up to 25, with an Education Health and Care Plan (EHCP)

Links Media College can accept referrals for learners Pan London.

LONDON LEARNING CONSORTIUM

Summary

Offering study programme provision with start dates throughout the academic year for young people progressing from a school setting and NEET or at risk of NEET young people.

Duration depends on starting point and would continue until the end of the academic year in July when young people will be able to progress to the next level programme.

Sectors include:

Digital Marketing / Social Media / Games Development / Business Enterprise / Business Skills / Coding / Cyber Security / Music Technology / Introduction to Creative Skills

Students will complete English and maths qualifications up to level 2 in GCSE or Functional Skills as required. Students will also complete an Award in Personal and Social Development incorporating Employability.

For those students who already have the required level English and maths, they will complete a Leadership Award to enhance the opportunity for progression.

We specialise in providing education for young people with high needs, poor mental health, EHCPs and undiagnosed SEN requirements. We offer small class sizes, soft starts to accommodate individual need, and our tutors are all currently engaged in their respective sectors.

We work closely with employers to provide a wide range of industry related learning experiences and support our students through to successful progression onto higher education, apprenticeships, or employment.

Eligibility

Age: 16-18 and 19-24 with an EHCP

Target Groups:

Young People progressing from a school setting and NEET or at risk of NEET young people.

Young people with high needs, poor mental health, EHCPs and undiagnosed SEN requirements.

Our current locations: - Ilford Campus and Whitechapel campus

We can also co-locate to provide programmes within specific boroughs for groups of students, as necessary.

STC group - Training Centre

Summary

2-week Trade Short Courses

L1 accreditation in either Bricklaying, Tiling, Painting & Decorating, Plumbing, Electrical and Carpentry. Course includes a free Health & Safety L1, CSCS test and Card. Clients take complete further weeks on different trades to become multi-skilled.

L2 apprenticeships in trade - minimum of 12 months, Bricklaying, Tiling, Painting and Decorating, Carpentry and Plumbing

CITB CSCS Testing Centre

As a stand alone available commercially. Provision included in the 2-week trade short courses

Business Traineeships

Our accredited pre-Apprenticeship (Traineeship) programme is a 12 -week training and job placement induction course that provides candidates with the confidence, presentation and pre-employment support and skills to find that all important first job and to taking that all important first step in starting an apprenticeship in the industry of their choice.

The first 6 weeks are classroom based at our Romford branch, which includes the guaranteed opportunity to meet and interview with employers from week 4. After the classroom-based learning those successful in their interview will start a paid 6-week work placement with the expectation of then completing a successful apprenticeship.

Luke Reinbach who runs this program is always available to attend schools and referral partners to discuss the program further.

Business Apprenticeships

The STC Group deliver L2 to L5 accredited apprenticeship qualifications for new and existing workforces, which includes supporting employers affected by the apprenticeship levy.

The qualifications we deliver are in Business admin, Recruitment, Customer service, and Accounting, with course lengths anything from 12 months for a level 2 to 15-18 months for a L3.

Hair and Beauty & Personal Training Short Courses

Our Hair & beauty courses are delivered in a vocational environment with hands on experience in the workplace, enabled by our beauty salon partner Glitz and Glam based in Romford; it is the perfect place to start your beauty therapy career. Courses are suitable for beginners to experienced professionals looking to gain qualifications or move towards supervision, management, or self-employment. Our Personal Training courses are delivered via blended learning i.e. At a gym and online coursework supported by the tutors.

Eligibility

Fully funded for candidates 19yrs + claiming JSA, ESA and Universal Credit. Funding currently only covers clients living in a London Borough postcode. Courses run every 2 weeks Mon-Fri 8am to 4pm. The courses can also be accessed commercially for clients not eligible for the funding option. This includes completing a CSCS test as a stand-alone requirement.

Funded for candidates 16yrs + In order to sign up we require the candidate to be in the relevant trade employment before starting the course with the employer fully supportive in giving the candidate the time required to complete the qualification.

16–18-year-olds (Traineeship) To be eligible the applicant must have not already achieved a L3 or previously completed an apprenticeship.

Geographical areas covered Havering & neighbouring boroughs for candidates that can travel to our Romford branch.

Open days every Thurs at our Romford branch from 2pm. To book a place refer to Luke Reinbach.

New traineeship classes start every 6 weeks throughout the year.

Our apprenticeship qualifications can be delivered to anyone that is 16yrs+ and not in full time education. Graduates can now complete an apprenticeship qualification as long as the skill they are learning is something new. We also upskill current staff looking to add a qualification to their CPD.

19yrs +

These courses can be funded and commercially run depending on eligibility which includes accessing funding through student loans

True Cadence

Summary

The Music Industry Masterclass (16-25)

This once-weekly, expert-led 9-month programme teaches young people about the business side of the music industry. You will also enhance your employability skills by planning, delivering, and evaluating your own creative project. Thus, making your resume more appealing to other employers in the music/creative industries.

The Music Industry Masterclass has been funded to run until 2025. Express your interest in joining the next cohort.

The Expression Project (18-25)

This programme has been co-designed with aspiring artists/musicians to support them in building confidence and enhancing their live performance skills. You will also build project and events management skills by planning, delivering, and evaluating a live music event.

We Create (8-15) and Coast 2 Coast Masterclass (16-25)

These collaborative music-making programmes support children and young people to write and record a release-ready EP, build confidence and teamwork skills. Together they will enhance their songwriting skills and grow creatively.

Music and Mindfulness (various age groups)

This music therapy programme can be tailored to individuals of all ages including those with SEND and the elderly. Working with an activity facilitator or a Health and Care Professions Council (HCPC) registered music therapist, participants will be guided to explore and benefit from the healing powers of music.

Eligibility

- 8-15 and wants to build/enhance their music and songwriting skills.
- 16-25 years old and interested in having a career in the music industry.
- Resides in Barking and Dagenham, Havering, Redbridge, Newham, Tower Hamlets, Hackney, and Waltham Forest.
- Do not have a job and are not in education or training; or
- Are employed and want to improve your music industry knowledge, music-making, and employability skills.

Outreach Coordinator for East and South London Street League
Jessica.gatfield@streetleague.co.uk

SUMMARY

Supported Internship that offers young people real life work experience whilst being supported by a job coach on site daily.

The program is taught in real workplaces in industries such as childcare and retail. The skills learnt are transferable, so it is important for young people to gain these skills in a real work setting alongside the employed staff.

This experience will equip young people with the workplace skills necessary to aid them into achieving sustainable paid employment.

The Program:

- Funded for learners with an EHCP
- 36-week program
- 3 days in a work placement
- 1 day in the classroom learning Employability skills, Maths & English
- Starts at any time of the year
- Supported by a job coach
- Small classes

ELIGIBILITY

Young people must have the below:

·Be in receipt of an Educational, Health and Care Plan (EHCP)

·Age 16-24

·Resident of Barking & Dagenham, Newham, Havering, or Redbridge.

Be work ready
