INCLUSIVE DIGITAL ZONE

POWERED BY

JAWS® AND ZOOMTEXT®

Welcome

The Inclusive Digital Zone provides computers that come equipped with a high contrast, large print keyboard and an ergonomic mouse featuring a DPI adjusting button, a scroll wheel, and side buttons for browsing the internet.

We also offer noise-cancelling headsets and various types of mice to cater to individual needs, which are available in our office. Please refer to the booklet provided, and if you require any of the aforementioned items, kindly approach a staff member or a Digital Champion.

Additionally, if you have any suggestions or recommendations regarding accessibility equipment, please do not hesitate to inform us, and we will explore further.
