

10720 – Statement of Reasons

As part of the Council's Road Safety Programme for 2026/2027, the installation of a raised table is proposed on Dagenham Road outside Rush Green School to address vehicle speeds and improve road safety.

The introduction of a raised table is intended to reduce vehicle speeds, improve driver compliance with the speed limit, and enhance safety conditions for all road users especially directly outside the school which will also have improved crossing facilities.

The proposed raised table have been designed in accordance with current highway standards and are of a size and layout that balances effective speed reduction with minimising discomfort and disruption for residents, drivers and essential services.

The proposals support the Council's duty to secure the expeditious, convenient and safe movement of traffic on the highway network and contribute to creating safer and more liveable neighbourhoods.
