General Information

52 Grit Bins located around the borough as indicated

Approximately 650 Km of F/Way in the borough
 Approximately 323 Km of C/Way in the Borough

Approximately 52% of the borough network is gritted on the Primary and Secondary routes.

Hand spread gritting is only done at the Town Centre & Renwick Road bridge unless snowing, then all hand spread areas are undertaken.

Approximate Grit usage using 6mm Thorax
 Pri at 10grams 6.6t
 Sec at 10grams 6t
 Pri at 20grams 13.2t
 Sec at 20grams 12t

Proposed 20% material saving using Safecoat treated salt
