UNDERSTAND COVID-19 AND MANAGE THEIR
EMOTIONAL WELLBEING AND MENTAL HEALTH
DURING THIS TIME**

INTRODUCTION

This list of resources has been collated by the NELFT Child and Adolescent Mental Health Service (CAMHS) in BHR.

Our aim is to help Children, Families and School Staff to navigate the wealth of information available during the coronavirus situation to support emotional wellbeing during this difficult time.

Resources are organised into three main sections:

- Children and young people
- Parents and carers
- School staff

For each resource we've provided the organisation name, a brief overview of the resource, and weblink or contact details. For ease of reference, where a video resource is listed, we've included a screenshot underneath the organisation logo in the lefthand column.

If you have suggestions for improvements we can make or resources we can add, please email Trevor.Watson@nelft.nhs.uk or Rebecca.Donn@nelft.nhs.uk (Havering CAMHS PMHT).
