From March 20 2020, early years settings were closed to children except for:

- Children who have a social worker
- Children with an Education, Health and Care Plan.

The government guidance states that if a child is safer at home then they must remain there. Please liaise with your child’s nursery and your social worker if this applies to you and need further assistance.

Settings across the borough are working in several ways to ensure your child receives their entitlement.

If your child is not due to attend nursery during this time, you can find information, guidance and activities to support learning at home on our website.
