

Barking and Dagenham

One borough; one community; one plan

Local Plan, Issues and Options – Have your say

We want your help in writing a new Local Plan. This is a document which will set out what Barking and Dagenham will look like in 2030 and the policies which will deliver this vision.

The Local Plan will include targets for the number of homes and jobs to be delivered from 2015 to 2030. We think that it could be possible to build 35,000 new homes and deliver 10,000 new jobs by 2030 in a way which improves the quality of life of new and existing residents.

This is a short survey designed to get your views on key matters important to the development of the Plan. If you have more time you can view the Local Plan '**Issues and Options Report**' (July 2015), which supports this work, and fill out a more detailed questionnaire at: www.lbbd.gov.uk/localplan

We are looking for feedback to help develop the vision for the borough.
