This leaflet is a quick guide to applying for secondary school places for parents whose children were born between 1 September 2008 and 31 August 2009. If your child was born between these dates, apply now for them to start secondary school in September 2020.

You must apply for a school place online by the closing date of 31 October 2019. Please make sure you read the full details of the admissions process in our e-booklet ‘Moving to secondary school in 2020’ before you apply.

See our website for details. If you do not follow the process in the e-booklet, you risk not getting a place for your child at your preferred school.

Information meeting

Find out how places are offered at our secondary schools. Come to our information meeting for parents which starts at 7pm. Admission officers will be available afterwards to answer any questions you may have about the admissions process.

We look forward to seeing you on Tuesday 10 September 2019 at the Broadway Theatre in Barking.

Receipt details

Use the space below to record the username, email address and passwords you have used to make your application. Without them you will not be able to go online and see which school place we have offered your child. Your application is only valid when you press the ‘Submit application’ button at the end of the ‘Check & submit’ page.

You will then be issued with an application reference number (ARN). The eAdmissions team will then send you a confirmation email. The email will include all the details of the application you have just made along with your ARN. In the case of twins, triplets and so on, make sure you have a different ARN for each child.

Read and make sure you understand the admissions process for our borough which is available on our website in the e-booklet ‘Moving to secondary school 2020’ in particular pages 6 to 27.

Go to the admissions meeting listed on the front cover. The meeting will give you independent advice about the admissions process. You can also contact the Family Information Service Team on 020 8227 5395 if you need more help.

Collect information to help you decide your preferences which can be any school in the country. Each of our secondary-phase schools provide information about themselves on pages 30 to 41 of the admissions e-booklet. Each school can also give you their prospectus, their most recent Ofsted inspection report, their exam results and governing body’s annual report. Each school’s contact details are shown on the back page of this leaflet.

Visit the schools to see for yourself what they can offer. The times of open days and open evenings in Barking and Dagenham schools are shown over the page.

Study the information on page 7 of the admissions e-booklet, which shows statistics from last year’s applications for Barking and Dagenham schools. This information should give you an idea what happened last year and the chance that you would have had of getting a place at your preferred Barking and Dagenham schools. This information also shows the number of parents who were successful in getting one of their preferences and the popularity of each of our schools. We recommend that you consider including your local school as one of your preferences. Your chances of being offered a place increase the closer you live to a school. Previous editions of this e-booklet and statistical information for the past five years are published on our website.

If you are applying for schools outside the borough, study the information the relevant local authority and school have provided.

If you want your child to stay on at the all-through school they already go to, do not fill in an application form unless you want your child to move to a different secondary-phase school. All other parents of year 6 children must apply for a secondary-phase school.

To apply, fill in and submit the common application form (CAF) online by the closing date. List six schools in the order you prefer. Most schools receive more applications than there are places available (they are oversubscribed). In this situation, not everybody will be given a place. We need information to help us offer you another school, and the more schools you list the greater the chance of this.

Carefully check the names and addresses of the schools you have selected, as some schools have similar names. Please make sure you attach all the other information we ask for. This may be proof that you are the child’s guardian, proof of your address, or proof that your child is or was in the care of a local authority (pages 9 to 11).

If you live outside Barking and Dagenham you must fill in the common application form available from the borough or county council area that you live in and return that form, to the council by the closing date.

Finally, don’t forget to fill in any extra supplementary information forms (SIF), and provide any documents or information for any schools or local authority that ask you to do this and send these forms and documents back to them before the closing dates. We will not pass on any extra information or SIFs to schools or local authorities on your behalf.

If your information changes, you must alter the relevant fields on your online application form by the closing date. We will send you an email with a new version number every time you change your application. If you cannot make these changes to your online application or if there are any changes you need to tell us about after the closing date, you must write to the School Admissions Team.

Remember if the school receives more applications than there are places (oversubscribed) it is the admission criteria that will decide if a place is offered to your child. Make sure you read the admission criteria for Barking & Dagenham schools on pages 19 to 22 of the ‘Moving to secondary school 2020’ e-booklet. If you live in our borough and we cannot give your child a place at any of the schools you have applied for, we will give your child a place at any school in the borough which has a place available.

**Options for 14 to 19 year-olds**

When deciding which secondary schools to apply for, please keep in mind that there is an opportunity for children to change to a different type of school in Year 9. At that time, all Year 9 pupils are at the point of choosing the exam courses they will study (their options). As well as the opportunities available in our schools listed on this page, technical and training schools provide other options for your child. These schools are new and fall within the category of either university technical colleges (UTCs) or studio schools. They are open in some areas to provide 14- to 19-year-olds with technically based courses that focus on the skills needed for work. Pupils start these schools in Year 10 but you need to apply for a place when your child is in Year 9 (aged 13 to 14).

There is more information in our admissions e-booklet ‘Technical and training school’, which is available on our website at www.lbbd.gov.uk/admissions.

We have a UTC school in this borough called ELUTEC in Dagenham. Please see ELUTEC’s website for the date and time of their open day event.
