Application Form – White Access “T” Bar Marking
For White Lining in Front of Residential Vehicle Crossover

PLEASE READ BOTH SIDES OF THIS FORM BEFORE COMPLETION
ALL SECTIONS MUST BE COMPLETED IN BLOCK CAPITALS USING BLACK INK

The cost of providing a ‘T’ bar marking is £366. This fee covers the cost of arrangement and for a contractor to carry out the work. This form is applicable for all applications from 1st January 2020 until 31st December 2020 and supersedes all previous versions.

Please note that you can only have a ‘T’ bar marking if you already have an approved footway crossing (dropped kerb) constructed

Title __________   First Name ____________________________________________

Last Name ____________________________________________________________

Address ______________________________________________________________

_________________________________________ Postcode ____________

Daytime Telephone Number ____________________________________________

Address for Line Marking (where the dropped is constructed) you are requesting

__________________________________________

__________________________________________

Do you have an existing Vehicle Crossover?       Yes / No

If No do you have an approved application for
a Vehicle Crossover waiting to be constructed?       Yes / No

If you have answered No to both of these questions we regret that we will not be able to provide you with an entrance marking.

Please send your completed application to

Alternatively, you can scan the form and send it to footwaycrossings@lbld.gov.uk
Notes
Residents may apply for a white access bar to be painted on the carriageway across the extent of the dropped kerb to highlight the area of the vehicle crossing and deter inconsiderate parking. The markings are advisory but where a vehicle parks across any dropped kerb without the permission of the property owner/occupier, a penalty charge notice can be issued.

Because this offence relies on knowledge that no permission has been granted, we can only enforce after a complaint has been received.

Access bars will only be installed in streets where there are no parking bays or restrictions.

The Council will install and maintain the white access bar line at the applicant’s expense but reserve the right to remove this at a later date without refund to accommodate a parking or other highway improvement scheme.

Access ‘T’ bar markings will only be installed where there is an approved footway crossing (dropped kerb) for your vehicle.

If you have made an approved application for a footway crossing that is waiting to be constructed, you can apply for a “T” bar and this will be installed once the crossing has been constructed.

White Access Lines will usually be 100mm wide and extend 0.5m each end beyond the constructed width of the footway crossing.

Shared Crossings - If you are applying for a line across a shared crossing, this will be considered as two lines and an application from both properties will be required. We are unable to mark a line across part of a shared crossing.

The Council reserves the right to adjust the width and length of these lines where necessary.

Payment Options
You can pay the £366 fee by one of the following methods

In Person
You can pay in person by using the Scan Coin facility at Dagenham Library, located at 1 Church Elm Lane, Dagenham, RM10 9QS (entrance on Heathway) and Barking Learning Center (BLC), located opposite Barking Town Hall in Barking
