Dear Claire Adams,

Thank you for your letter of 12th March 2013 regarding your Council's intention to introduce a Community Infrastructure Levy in autumn 2013.

Whilst I do not feel able to comment in detail on the Charging Schedule suggested, I do believe that the idea set out by a group of twelve think tanks, charities and pressure groups across the political spectrum, who recently joined forces in response to the seriousness of the current economic situation, working together under the name of Coalition for Economic Justice should be given some consideration and support.

Their web site is: http://www.c4ej.com/ May I request that Councillors be made aware of this web site? I will appreciate your confirming that this will be reported at the earliest date.

Yours etc.
Michael Cullen.
