Site Specific Allocations Development Plan Document Adoption Statement 17 January 2011

This Adoption Statement gives notice that the London Borough of Barking and Dagenham resolved to adopt its Site Specific Allocations Development Plan Document (DPD) on 8 December 2010.

The purpose of the Site Specific Allocations document is to resolve the land use implications of the Core Strategy and therefore to consider the future of sites across the borough, not only sites that may have some development potential but also sites which may need protecting.

The DPD was examined by an independent Inspector and the Inspector's report was published in July 2010. The adopted DPD incorporates the binding recommendations of the Inspector.

Any person aggrieved by the Site Specific Allocations may make an application to the High Court under Section 113 of the Planning and Compulsory Purchase Act 2004 on the grounds that the document is not within the appropriate power or that a procedural requirement has not been complied with. The application must be made promptly and in any event not later than the end of the six weeks from the date of this notice, i.e. **28 February 2011**.

The DPD, the Inspector's Report, this Adoption Statement, the Sustainability Appraisal Report and the Sustainability Appraisal Adoption Statement prepared in accordance with the Environmental Assessment of Plans and Programmes Regulations 2004 (16) (3) and (4) are available for public inspection on the Council's website at www.lbbd.gov.uk. They are also available at the Council's offices at the Civic Centre, the Town Hall and the Council's libraries during normal opening hours.
