Welcome

This e-booklet is designed to help you prepare your child for the exciting process of starting school. It contains information about pre-school learning opportunities and how to apply for a reception place (sometimes called an ‘infant’ school place) or junior school place.

Barking and Dagenham is a friendly and diverse borough with schools and other learning centres in every neighbourhood. You will find that the head teachers and school governors will welcome you to visit any of the borough’s schools so you can see the range of facilities and activities available. As well as nursery classes at the borough’s schools, there are pre-school day nurseries and other opportunities for young children under five years old. You will find information about these in this e-booklet.

A child’s first steps in education are vitally important. I am very proud of all the hard-working, dedicated staff who make sure our schools provide the best-possible future for the children in our borough.

I would like to take this opportunity to thank you for choosing Barking and Dagenham as the place for your child to grow, learn and develop and I wish them all the best during their educational experience.

Councillor Evelyn Carpenter  
Cabinet Member for Educational Attainment and School Improvement
If your child was born between 1 September 2015 and 31 August 2016, they may start school full-time in September 2020. This information e-booklet explains the admissions process for the first year of school (reception places). Please keep this e-booklet in a safe place as you will need to refer to it over the next year.

All schools use admission criteria (conditions) to decide which applications to accept and which to turn down. We explain the admission criteria for our faith schools (except for George Carey) on pages 26 to 31. For George Carey and all other Barking and Dagenham schools see page 25.

No places are guaranteed and you must apply even if your child already has a place at the school’s nursery class. It is important that you read and understand the information in this e-booklet before you apply. If you don’t follow the process in this e-booklet, you put your chance of getting a place at your preferred school at risk.

To apply, you must use the common application form provided by the borough you live in. If one of your preferences includes a faith school (except George Carey) there are extra steps you must take if you apply under the school’s faith criterion. Our Church of England schools use a SIF (supplementary reference form). Our Catholic schools use a CCP (certificate of Catholic practice form) with a cover note. You may also need to fill in extra forms (supplementary information forms) and documents if you apply for schools outside the borough. See page 15 for more details.

The schools you apply for are your preferences – they are not your choices because we cannot guarantee everyone a place at any of the schools they have listed. For example, if everybody named the same school, we would not be able to increase the number of places there.

Instead, we offer as many places as possible, based on the admission criteria, to those who make their application by the closing date. The full timetable is on page 39. You must return all applications and documents by the closing date, 15 January 2020.

Applications received after this date are late, and we will not process them until after we have dealt with the applications we received on time. By this time you will be less likely to gain a place for your child at your preferred school. If we cannot offer your child a place at one of your preferences or you do not fill in and return your application form, and you live in this borough, we will give them a place in any school in the borough with a space.

The School Admissions Team is happy to answer any questions you have about the process. If you need independent advice, you can contact the Family Information Service (FIS) Team, see page 46.

Early Years Provision

What options are available for my child?

By law, children in England start school in the term after they reach their fifth birthday. In Barking and Dagenham there is a range of early-years options available for children under the age of five. Your child can be considered to receive 15 hours of free early education in a number of settings as part of a part-time or full-time session.

- There are nursery classes (for children aged three to four) in every local-authority infant and primary school.
- There are full daycare nurseries run by the local authority and private and voluntary organisations.
- There are pre-schools run by private and voluntary organisations.

This section of the e-booklet gives a brief description of the various types of early years learning opportunities in Barking and Dagenham. Please contact the Family Information Service (see page 46) about the process of getting your child a nursery or pre-school place in a Barking and Dagenham school or other nursery setting. They can also give you advice about free places for eligible two-year-olds and advice about claiming 30 hours of free early education for eligible working parents.

Nursery classes

There is a nursery class in every maintained infant and primary school in Barking and Dagenham. Nursery classes are led by qualified teachers and are inspected by the Government’s Office for Standards in Education, Children’s Services and Skills (Ofsted). Children in nursery classes follow the Early Years Foundation Stage, which emphasises the importance of play in early learning and development.

As parents and carers, we encourage you to take part in your child’s education by working together with the staff of nursery classes, pre-schools, day nurseries and childminders so that you can provide the fullest support for your child’s learning and development.

Parents or carers who live in the borough can take up a part-time nursery place for their child the term after the child’s third birthday. By using this early education entitlement, your child will have a gradual introduction to school. However, a place in school nursery does not guarantee a place in reception class in that school.

Day nurseries

There are 47 day nurseries in Barking and Dagenham, one run by the council and the rest by private, community and voluntary organisations. 12 of these nurseries are attached to children’s centres. They aim to provide high-quality, affordable childcare to allow parents to take part in training and employment opportunities. Day nurseries are registered and inspected by Ofsted and offer free education sessions of 15 hours per week (term time only). Parents can opt to take 11 hours of free nursery education and spread it over the whole year. This applies to all children in the term after their third birthday. Day nurseries also offer a number of free early-education places for eligible two-year-olds. All these nurseries have input from a qualified teacher. Some school nursery classes and all day nurseries also offer 30 hours of early education for eligible working parents.

Pre-schools

There are 18 pre-schools in Barking and Dagenham, which are run by private and voluntary organisations. Pre-schools offer 15 hours of free early education per week to children in the term after their third birthday. Pre-schools also offer a number of free early-education places of 15 hours for eligible two-year-old children. These settings are also inspected by Ofsted and supported by qualified teachers. Some pre-schools also offer 30 hours of free early education to eligible working parents.

Childminders

Some high-quality childminders have received extra training and support and have been approved by the local authority to offer free early education to eligible two-, three- and four-year-old children. They also have support from a qualified teacher. Please contact the Family Information Service (see page 46) for more details.
All-through, infant, junior and primary schools

Children must receive full-time education from the beginning of the term after their fifth birthday. At this time, parents need to decide whether they would prefer:

• an all-through school for children aged four to 19;
• an infant school for children aged four to seven; or
• a primary school for children aged four to 11.

Our policy is to offer children the opportunity to begin full-time education in the September of the school year in which they become five years old. This means that most pupils have the option of starting school when they are four. However, by law, a child does not have to start school in England until the term after their fifth birthday.

• There are four all-through schools in the borough for children aged four to 19.
• There are five infant schools in the borough for children aged four to seven. All are linked to a junior school for children aged seven to 11.
• There are 33 primary schools for children aged four to 11.

These schools are all listed on page 45 and include community schools, voluntary-aided faith schools, academies and free schools. All faith schools are listed on the same page starting with F.

What will my child learn?

The early stage of children’s learning from birth up to the age of five years is called the Early Years Foundation Stage. All early-education providers that receive education funding from the Government must work closely with parents and carers to give children the best possible start in education.

The Early Years Foundation Stage is organised into seven areas of learning for children aged from birth to five years.

There are three main areas and these are:

• personal, social and emotional development;
• communication and language; and
• physical development.

There are four specific areas and these are:

• literacy (reading and writing);
• mathematics;
• understanding the world; and
• expressive arts and design.

As children move through the Early Years Foundation Stage, their progress towards the early-learning goals will be assessed. You can get more information about how ‘early learning’ is organised from the staff at your child’s nursery, school, pre-school or day nursery, or from the Department for Education (DfE) website at www.education.gov.uk.

Starting school

Your child’s education is very important. We believe that the successful education of children greatly depends on a good working partnership between schools and families. We support and encourage this partnership and want you to become well informed about our schools. We and all the schools are committed to promoting equal opportunities and opposing all forms of discrimination and prejudice. Visit as many schools as you can to help you decide your preferences (for up to six schools) on your common application form. Each of the schools will be able to give you:

- the school prospectus;
- the most recent Office for Standards in Education (Ofsted) inspection report for the school (www.ofsted.gov.uk/reports);
- the school’s examination results (www.education.gov.uk/performance-tables/); and
- the governing body’s annual report.

Schools available

There is a map with a list of our all-through, infant, junior, and primary schools on page 45 in this e-booklet which confirms the published admission number (PAN) for each school.

- an all-through school is for children aged four to 19;
- an infant school is for children aged four to seven;
- a primary school is for children aged four to 11;
- a junior school is for children aged seven to 11.

Our faith junior and primary schools

St Joseph’s (Barking), St Joseph’s (Dagenham), St Peter’s, St Teresa’s and St Vincent’s. These Catholic primary schools are academies run by The Good Shepherd Trust.

St Margaret’s Church of England Primary is an academy run by The Genesis Education Trust.

William Ford Junior is a voluntary-aided school run by the Diocese of Chelmsford Church of England Authority.

All these schools are listed on page 45 of this e-booklet, starting with ‘F’. Before you apply for a place at any of our faith schools, you must read the school’s admission criteria (pages 26 to 29) and follow the instructions on pages 36 and 37.

All-through schools

Eastbrook School and Eastbury Community School are run by the local authority and use the admission criteria listed on page 25.

Goresbrook School is an academy run by The United Learning Trust.

Sydney Russell School is an academy run by the Partnership Learning Trust.

Both these schools are their own admissions authority, but it will follow the same admission criteria for Barking and Dagenham community schools, and we will offer places on their behalf.

Academy infant, junior and primary schools

Eastbury Primary, James Cambell Primary, Thames View Juniors.

These schools are academies run by the Partnership Learning Trust.

Dorothy Barley Junior is an academy run by the Reach Two Trust.

Thames View Infants is an academy run by the Thames View Infants Learning trust.

All these schools are their own admissions authority, but it will follow the same admission criteria for Barking and Dagenham community infant, junior and primary schools and we will offer places on their behalf.

Free and voluntary-controlled primary schools

Riverside School is a free school with academy status run by the Partnership Learning Trust.

The George Carey Church of England Primary School is a voluntary-aided school.

Both these schools are their own admissions authority, but it will follow the same admission criteria for Barking and Dagenham community schools and we will offer places on their behalf.

Community infant, junior and primary schools

All other Barking and Dagenham schools listed on page 45 are community schools run by the local authority. The admission criteria for these schools are listed on pages 25.

Important notes for schools with two sites – If you want to apply for a place at Manor, Ripple, Roding or Valence schools you need to read the important notes below.

Note 1: If you want to apply for a place at these schools you must give the name of the site you would like your child to attend. However, if you are not successful in applying for a specific site you can only appeal for a place at the school, not a place at a specific site, as both sites are managed by the same head teacher and governing body. If you win your appeal, the school will decide which site your child will go to.

Note 2: If you do not name the site you prefer on your application form, we will automatically process your request for site 1 as listed on page 45.

Note 3: An interest list will be kept for each site in criteria order. The interest list process listed on page 23-24 will be followed for each site.

Important note: Plain English Campaign’s Crystal Mark does not apply to pages 32 to 33.
Eye Health for children

- The NHS recommends that all children have a sight test every two years and that children who need glasses have one more often.

- Eye tests and glasses are free for children and young people below the age of 16 (or 18 if in full-time education). But parents/carers will need to make an appointment at their local opticians.

- Please take your child to see an optician if you feel there may be any problems with their sight.
What you need to do

If you live in Barking and Dagenham

1. Read and make sure you understand the admissions process for our borough, particularly pages 8 to 38.

2. Collect information to help you decide which schools you prefer. You can list any school in Barking and Dagenham or another borough. Addresses for information about schools in other boroughs are shown on page 43.

3. Make an appointment to visit the schools to see for yourself what they can offer.

4. Study the information on pages 32 and 33, which shows statistics from last year’s applications for Barking and Dagenham schools. This information should give you an idea what happened last year and the chance that you would have had of getting a place at your preferred Barking and Dagenham schools. This information also shows the number of parents who were successful in getting one of their preferences and the popularity of each of our schools. We recommend that you consider including your local school as one of your preferences. Your chances of being offered a place increase the closer you live to a school. Statistical information for the past five years is published on our website.

5. Fill in and submit the common application form online by the closing date. List six schools in the order you prefer. Most schools receive more applications than there are places available (they are oversubscribed). In this situation, not everybody will be given a place. We need information to help us offer you another school, and the more schools you list the greater the chance of this.

Carefully check the names and addresses of the schools you have selected, as some schools have similar names. Please make sure you attach all the other information we ask for. This may be proof that you are the child’s guardian, proof of your address, or proof that your child is or was in the care of a local authority (pages 12 to 14).

6. Finally, don’t forget to fill in any extra supplementary information forms (SIF) and provide any documents or information for any schools or local authorities that ask you to do this. Send these forms and documents back to them before the closing date. We will not pass on any extra information or SIF’s to schools or local authorities (LA) on your behalf.

7. We will offer places on 16 April 2020 and we must receive your reply by 30 April 2020 or your child will not have a school place.

If we cannot give your child a place at any of the schools you have applied for, we will give your child a school place in any part of the borough with a space. You have a right to appeal if we turn down your application (see pages 21 to 22). We will also place your child on the interest list for any other Barking and Dagenham school you listed as a higher preference than the school we offered you.

If you live outside Barking and Dagenham

Each local authority (LA) is responsible for educating children age five to 18 living in their borough or county. If you do not live in Barking and Dagenham, please make sure you have read the admissions booklet from your borough or county.

You will need to fill in the common application form (CAF) provided by your borough or county. You can list Barking and Dagenham schools on that form.

You must also fill in any other relevant forms (supplementary information forms) or provide any extra documents that may apply. The admission criteria for Barking and Dagenham schools are on pages 24 to 31. It is important that you read and understand the criteria and admissions process (pages 11 to 23) before you apply.

You must return the CAF to your borough or council by their closing date. This date may be different from the Barking and Dagenham closing date.

It is important that you rank the schools in your true order of preference. Potential offers are exchanged between councils until your own borough can make a single best offer (including any schools you may have applied for in other boroughs). The local authority that you live in will offer a place on 16 April 2020, for applications they have received by the closing date. You must accept the place offered by their reply date or we will withdraw our offer.

You have a right to appeal if we turn down your application (see page 22). We will also place your child on the interest list for any other Barking and Dagenham school you have listed as a higher preference than the school we offered you. Please make sure you have read about how your local authority handles admissions before you fill in your application form.
What you need to know

Who can apply for a 2020 reception school place?
If your child was born between 1 September 2015 and 31 August 2016, you can apply now for them to start full-time school next September.

What are co-ordinated admissions?
In the normal round of admissions, all councils co-ordinate admissions to their schools for reception places. Under the co-ordinated admissions system, you can only receive one offer from your borough or council. You must list the schools you want to apply for on one form, known as the common application form (CAF), ranking them in your true order of preference.
You must return the common application form to the council in the area where you and your child lives. All the councils will then use a computerised process to:
• pass on details of applications for schools in other council areas; and
• co-ordinate the offer of places to make sure that nobody gets offered more than one school place.
The admission authority for each school you have listed on the application will decide whether or not to offer your child a place. If a school is oversubscribed (receives more applications than available places), the admissions authority will use its published conditions (admission criteria) to decide the order in which to offer places. We will not tell the schools where you ranked them in order of preference on your application form or tell a school about other schools you have also applied to. However, if you appeal for a place, we will pass this information to the admission authorities (the school or the local authority) at the appeal stage.
It is important that you rank the schools in your true order of preference. This is important because if we can offer your child a place at two or more of the schools you have listed, we will give your child a place at the one you ranked the highest out of these schools, and release all other lower preferences. These places are then offered to other parents who do not have a school place for their child. Councils will write to parents (who applied by the closing date) on 16 April 2020 and tell them the results of their application.

The co-ordinated process will end on 31 August 2020. After this date you will need to follow the ‘in-year’ admissions process which is published on our website and in the e-booklet ‘Finding a school place’.

Where can I get help and advice about applying for a school place?
Admissions officers in the School Admissions Team, and the borough’s call centre staff can give you advice about how the admissions process works. You may also get advice from the Family Information Service (FIS Team) and their advice is independent of the School Admissions Team. They will explain how the admissions procedures affect your individual circumstances and will also help you fill in the necessary forms to make sure your application is complete.

If my child goes to the nursery at a school, will they automatically start at the main school?
No. Children who go to a nursery class in a primary or infant school do not automatically move to the main school. You have to apply for a reception place using the CAF and the relevant SIF form if required, even if your child has a brother or sister at that school.

Why are there six preferences? I want to choose one school.
Under section 86 (1) of the Schools Standards and Framework Act 1998, we must make arrangements so that parents of children in our area can express a preference for the schools they would want their child to go to. Every year, more people apply for places at our schools than we have places available. In that situation, not everybody will be given a place at the schools they have asked for. We need information to help us offer you another school, and the more schools you list the greater the chance of this.
The schools on your form are your preferences – they are not your choices because we cannot guarantee everyone a place at any of the schools they have listed. If everybody named the same school, we would not be able to increase the number of places there.
Simply naming one school or repeating the same school does not increase your child’s chance of getting a place there, and may lead us to giving your child a place at a school you have not listed.

The admission number of each school and the number of applications made for those places last year are shown on the statistical information on pages 32 and 33. This information will show you which schools are likely to be oversubscribed (receive more applications than there are places available).

### Who can fill in the application forms?

The person or people with parental responsibility for the child must fill in the application forms. Parental responsibility is defined by the Children Act 1989 and amended by the Adoption and Children Act 2002. Please remember to provide proof that you are the child’s legal guardian if you are not their biological parent.

A child’s mother is automatically given parental responsibility when a child is born and this remains in force until a court order determines otherwise. For births registered in England and Wales, a child’s father will also have parental responsibility if:

- he was married to the child’s mother when the child was born (even if they later divorce or separate);
- the child was born after 1 December 2003, and he is named on the birth certificate; or
- he has a parental responsibility agreement from a court or by agreement with the child’s mother.

### What does guardianship mean?

If a child is not living with their biological parents and you are another adult who is looking after the child, we need documentary evidence that you are the guardian and have parental responsibility for that child. That is, you have the legal right to make decisions on the child’s behalf. Evidence includes a will or a court order and Child Benefit payments. Guardianship only applies if you can prove that you have full care and the normal, permanent home is not at their parents’ address. Guardianship does not apply when picking up children to and from school, or looking after them until their parents collect them.

If you cannot prove guardianship, we will refer the application to social services while we process your form.

### What if my child lives with both parents at two different addresses?

When a child lives with their biological parents, legal guardian or foster parent, we will consider that address to be the child’s normal, permanent home. However, when a child has parents who are separated, the parents may name only one address for the application process, but the other parent can be named and provided with copies of information we issue. If one parent has parental responsibility, we must receive documents to prove this and that parent’s address must be used. If both parents have parental responsibility, we must receive documents to prove this. We will normally accept the parent’s address used by the child’s nursery or primary school as the child’s permanent home.

### APPLY ONLINE

now for a reception school place
[www.eadmissions.org.uk](http://www.eadmissions.org.uk)

If you still need help to apply online after calling the helpdesk (020 8255 5555 - option 1), help sessions are available at Dagenham Library on Tuesdays and Barking Learning Centre on Thursdays until 14 January 2020. Each session starts at 9am and ends at 4.30pm.

The closing date is 15 January 2020
Do I need to send proof of my address?

We need to ask for proof of your and your child’s address to make sure that we do not offer places for fraudulent or misleading applications, and to make sure that you meet the published criteria that apply if the schools listed on your application are oversubscribed (this means there are more applications than there are places available).

At the welcome meeting with the Barking and Dagenham school we have offered you a place at, you will be asked to provide proof of your child’s identity (including their legal name and date of birth) and of the address where you and your child are living, as stated on the application form. You must take one original document (no photocopies) from each of the three lists (A, B and C) below with you to the welcome meeting.

If you apply for a school outside the borough, you will still need to provide one document from each of the three lists (A, B and C) below with your application.

**List A** (proof of child’s name, date of birth and address)
- HM Revenue & Customs documents such as a letter showing your entitlement to Child Benefit, Working Tax Credit or Child Tax Credit
- Your child’s medical registration card
- Your child’s Immigration and Nationality Directorate (IND) card (issued by the Home Office with photo attached)

**List B** (proof of the parent’s or carer’s address)
- Your Council Tax bill for 2019-2020
- Your Council Tax Benefit letter or notice for 2019-2020
A solicitor’s letter showing the completion details if you have just bought your home (the letter must be dated within the last three months)

**List C** (proof of the parent’s or carer’s address)
- Your utility bill (gas, electricity or water) from the last three months. We will not accept a mobile-phone bill or bills for internet connection.
- A statement from your bank, building society or a credit-card company from the last three months.

If you do not own or rent your own home, but are living with someone who owns their home or rents it from the council or from another landlord, you will need to prove that you live there.

Please provide a copy of their current Council Tax bill or Council Tax Benefit letter or notice, together with written confirmation that you live with them. Please ask them to provide a letter containing the following information.
- Their name
- The address of the property
- The fact that you and your child live in the property, and the date you moved there
- Confirmation that you and your child have permission to live in the property and how long you are allowed to live there.

If you are not able to provide the documents listed above at your child’s welcome meeting, we will withdraw the offer of a place at that school if the school is oversubscribed. Instead, we will offer you a place at the school nearest to your home which has places available. If you live outside the borough, you will need to contact the local authority of the borough where you live for a school place for your child.

If you have difficulties providing the proof we need, please contact us to discuss this, or get independent advice, as soon as possible.

Please check that your and your child’s details match the information you give on your application form and on the documents you show us. Also, the guardian named on the application form must be listed on the Council Tax bill and other bills you show us as proof.

If you change your address at any time in this process, you must change the relevant fields on your online application form by the closing date and give us proof of your new address by sending us the above documents. If you need to tell us about any changes after the closing date, you must write to us or fill in a paper form which you can download from our website.

If we need further proof of your and your child’s address, we will ask for other documents not listed in this e-booklet. If we discover that we have given your child a place based on false, inaccurate or misleading information, we will withdraw the place and may take legal action.
What happens if my child has additional needs?

All Barking and Dagenham schools, including those with specialist services, offer an environment in which everyone is treated fairly and equally. Pupils with special educational needs, disabilities or any other needs are encouraged and supported to make the most of the curriculum and all the available facilities. Parents and carers are invited to visit schools to find out what each school has to offer. All schools also produce written information, which should be available to parents, on how they support children with special educational needs.

If your child is attending a nursery school and Barking and Dagenham local authority is carrying out a formal assessment of their special educational needs, you will need to apply for a school place for them using the School Admissions Team application process. This will make sure your child has a school place when they are due to start school during the next school year. Once the formal assessment has been completed, your case officer will tell you if the assessment shows that your child needs to go to a different school than the one offered.

If your child already has an education, health and care plan (EHC plan), our EHC Team will review their statement at least once a year (or twice a year if they are under five years of age). Your EHC case officer will process any changes recommended at the review meetings, including any request you make for your child to attend a different school, and let you know if we have agreed this.

If you are not sure whether your child is being assessed or may already have a statement of special educational needs or EHC plan, please phone the EHC Team on 020 8227 2400 for advice.

What happens if my child is or was in the care of a local authority?

We consider applications for children who are or used to be in the care of a local authority before we consider all other applications. A looked-after child is a child who is or was:

- in the care of a local authority; or
- being provided with accommodation by a local authority under their social services functions (see the definition in Section 22(1) of the Children Act 1989).

For admission purposes we consider a ‘looked-after child’ to be a child who is currently in care or a child who was in care previously at any point in their life and then became subject to an adoption, residence, or special guardianship order immediately after leaving care.

If your child is in the care of a local authority, you must also include with the common application form a letter from the social worker confirming the legal status of the child and the local authority which the child is in the care of. The letter should also provide the reasons for the preferred schools you have listed.

If your child is in the care of a local authority and you would like to discuss the admissions process of your child with a member of Virtual School for Looked After Children, please phone 020 8227 2691.

If the child used to be in the care of a local authority and you want to apply under this priority, we will need to see evidence that the child was in the care of a local authority.
What happens if my child is from a UK Armed Forces family (crown service)?

Under Government rules, applications from families of the UK Armed Forces can be considered at the posting address before the family have moved to the area. However, we do not give automatic priority to these children over other children. If you are moving to our borough, please apply online by the closing date and use the address of your posting.

Please tick the relevant box to show that you are either:
• a UK Armed Forces family with a confirmed posting to the area; or
• a crown servant returning from overseas to live in the area.

Your application must also include an official letter that declares a relocation date and a unit postal address or quartering area address. If your posting changes, please follow the advice in the ‘What if my circumstances change?’ section. We will process your application using your posting address and in line with each school’s admission criteria.

How do I apply for a school outside Barking and Dagenham?

If you live in this borough and would like your child to go to a school in another borough (not private schools), you must list that school on your Barking and Dagenham common application form. Please apply online, checking that the school you want to apply for is on the list of schools. If it is not on the list of schools please contact the School Admissions Team before 5pm on 15 January 2020 on how to apply, otherwise we will not consider your application in the first round of offers.

It is important that you know the admission criteria for the schools you are asking for, and you may need to fill in supplementary information forms and provide further information for these schools. Please contact the admissions authority (school or LA) of the school you have in mind. This e-booklet lists the contact details for all the local authorities in London. For details of other local authorities that are not listed, please see the Department for Education (DfE) website at www.gov.uk/dfe.

If you live in this borough and you do not fill in the Barking and Dagenham common application form, you will not be considered for any schools, either inside or outside the borough, even if you fill in their supplementary information forms.

If you still need help to apply online after calling the helpdesk (020 8255 5555 - option 1), help sessions are available at Dagenham Library on Tuesdays and Barking Learning Centre on Thursdays until 14 January 2020. Each session starts at 9am and ends at 4.30pm.

The closing date is 15 January 2020
Can I change the information on my application form?

**Important note**
If your information changes, you must alter the relevant sections on your online application form by the closing date.

We will send you an email with a new version number every time you change your application. If you cannot make these changes to your online application, you must tell us in writing and include supporting documents if necessary. The new details that you give us will replace those on your previous form. The last application you make before the closing date (on paper or online) is the one that we use to process your preferences.

After the closing date, any changes should be made in writing to the School Admissions Team. Fill in a paper form or fill in the ‘change my school place application’ form, which is available on our website from 17 April 2020. If we receive any of your changes after the closing date, we will treat those changes as ‘late’ as we offer places based on all information available on the closing date. Any changes you make after the closing date will not appear on your eAdmissions account. Instead, we will reply to your enquiries by post or email. Please see the question ‘What if my application is late?’ on page 19 for more details.

How do I return the forms?

**Supplementary information forms (SIFs)**
Please see page 26.

**Common application form (CAF)**
Applying online is reliable and secure. All local authorities in London have worked together to make it possible for parents to apply online for a school place in London and its surrounding counties. This service is available through the ‘eAdmissions’ website.

The person with parental responsibility for the child named must register to use the ‘eAdmissions’ site by setting up an account. If you don’t already have an email address, you will need to create one before you apply online.

Although you can use any email address, we recommend you use ‘Google Mail’ or ‘gmail’. This is because other email providers may treat the email we send you as spam (electronic junk mail). If this happens you will need to check your ‘spam’ or ‘junk mail’ box for our email, and then follow the instructions to add us to your safe senders list. After doing this, all future emails from us will go straight into your inbox.

If you need to create an email address you need to have a mobile phone number and have that same mobile phone with you when you create the email address. Keep a note of your new email address and the password to access the email you have now created.

Making an application is easy once you have a valid email address. The eAdmissions Team will send you a ‘validation’ email to check that your email address is correct. Log in to your email account and click on the ‘validation link’ in the email you have received from the eAdmissions Team. Once you have confirmed your email, the application should take no more than 10 minutes. The site gives full instructions on its guidance pages, to help you make your application.

**Important note**
If you apply online and you cannot see your exact address in the list presented, or if the schools you want to apply for are not listed, you must contact the Admissions Team before 5pm on 15 January 2020, otherwise your application will be late. Our contact details are on page 38.
Quick steps to apply online

STEP 1
Where to begin
If you don’t already have an email address, you will need to create one before you apply online. Once you have this, go straight to the eAdmissions site at www.eadmissions.org.uk to make your application.

STEP 2
Registration
The person with parental responsibility for the child must register to use the ‘eAdmissions’ site by setting up an account.

STEP 3
Validating (confirming) your email
The eAdmissions Team will send you a ‘validation’ email to check that your email address is correct. Log in to your email account and click on the ‘validation link’ in the email you have received from the eAdmissions Team. You can then make your application.

STEP 4
Making your application
Once you have your username and password, go back to the homepage. Select ‘Return to your existing account’. Enter your username and password you have received and press ‘Login’. You should see a page asking you for your child’s details.

Your application is split into three parts and only becomes valid when you press the ‘Submit application’ button on the third page called ‘Check & submit’.

a) The first part of your form asks for your child’s details.

b) The second asks you to list the six schools you want to apply for.

c) The third part asks you to check the information given, accept the declaration and submit your application. Once you have submitted your application, you will be able to attach documents.

STEP 5
Confirmation of your application
You will be issued with an application reference number (ARN) when you have submitted your form. The eAdmissions Team will then send you a third email which will include all the details of the application you have just made along with your ARN.

You should make a note of your application details on page 2 of this e-booklet as you will need to refer to it when checking your results. We will send you an email with a new version number every time you change your application.

If you have any technical difficulties while making your application online, the online admissions helpdesk is available from 9.30am to 5.30pm Monday to Friday. Please phone 020 8255 5555 and select option 1. For all other non-technical queries, please contact the School Admissions Team.

Important notes
• Please carefully read all dialogue boxes. These boxes explain information about the questions you have just been asked. Ignoring these boxes could mean you risk not getting a place for your child at your preferred school.

• Help is available if you have problems at any stage of the application process. Just click on any text that is underlined and highlighted in purple, and a new page will open to give you an explanation or advice about the question you have selected.

• If you have twins, triplets and so on, make sure you tick ‘yes’ to the ‘multiple birth’ question so that you can fill in a new form for each child. Each child must have a separate ARN number.

• If you are not sure of any stage of the process, please get advice from the School Admissions Team.
Is my information protected?

We will deal with your personal information in line with the General Data Protection Regulation 2018 (GDPR). For security purposes we ask you for a password. If you apply online, your application reference number (ARN) will be your password. If you apply on a paper form, we will need you to give us a password between 8 and 12 letters long. Without your password or ARN we cannot give out information on your application if you visit or phone us.

As part of the admissions procedure, we may share the information you give on your application forms with schools and other departments in the council (such as the Child and Family Service, Children’s Social Care Democratic Services, the Educational Health Care Team, educational psychologists, the Family Information Service, the Inclusion Service, the Looked-After Children Team, the police and Youth Offending Services).

We will also share your information with other schools and departments outside the council (such as the Child and Adolescent Mental Health Service (CAMHS), the Department for Education (DfE), Ofsted, and other local authorities) and with the school your child goes to, where it will form part of the school’s pupil database.

For more information about how we will use your personal information please visit www.lbbd.gov.uk/privacy, where you can see a full copy of our Privacy Notice.

How are places given?

The current School Admissions Code says that schools are ‘required to admit children with statements of special educational need or EHC plans, where the school concerned is named’. As a result, we process these children’s applications first. If the school has been named in the child’s statement or EHC plan, we must take places off the school admission number for that year group. The admission authority then issues the rest of the places using the admission criteria. For example, if the admission number for a school is 80 and three places have been given to children whose statements or EHC plan name that school, we will issue the other 77 places in line with the admission criteria.

We then process all other applications using the equal-preference model. This is explained below.

- We consider each of your preferences as if it were your only preference.
- For each of your preferences, the admission authority will use the admission criteria to see if they can offer your child a place.
- If we can then offer your child a place at two or more of the schools you have listed, we will give your child a place at the one you ranked the highest of these schools.

We do not make decisions to offer places based on the date we received the applications. Instead, we group all the applications we receive on time and process them together. If there are more places available than there are applications for those places, we agree all the applications.

However, if there are more applications for a school than there are places available in that school (that is, the school is oversubscribed), we will use the admission criteria to decide which applications to accept. The notes that follow the admission criteria are there to explain particular points about the criteria we use.

**APPLY ONLINE**

now for a reception school place

www.eadmissions.org.uk

If you still need help to apply online after calling the helpdesk (020 8255 5555 - option 1), help sessions are available at Dagenham Library on Tuesdays and Barking Learning Centre on Thursdays until 14 January 2020. Each session starts at 9am and ends at 4.30pm.

The closing date is 15 January 2020
In Barking and Dagenham, the local authority is the admissions authority for all community schools. The criteria for these schools are listed on page 25. Dorothy Barley Junior, Eastbury Primary, Goresbrook School, James Cambell, Riverside School, Sydney Russell, Thames View Infants, and Thames View Juniors are academies, and the George Carey Church of England Primary is a voluntary-aided school. All nine schools are their own admissions authority. However, they follow the same admission criteria as Barking and Dagenham community schools and we will offer places on behalf of these schools. There are seven other faith schools and, for these schools, the governing body is the admissions authority and set its own admission criteria. The criteria for these schools are listed on pages 26 to 31. Before you make your application, please make sure you read and understand these criteria and notes and check how places were distributed at each school. See our website for copies of previous editions of this e-booklet. The e-booklets include statistics for previous years.

What is the timetable?
The closing date for ‘on-time’ applications made online is midnight on 15 January 2020. Do not wait until the last minute to make your application in case your computer crashes or your address or the schools you are applying for are not available on the online system. Our offices close for enquiries at 5pm on 15 January 2020. If we receive your application after this, it will be treated as a late application. If you intend to move address during the admissions process, please apply to the borough that you will be living in on the closing date and follow the advice in the “What happens if my circumstances change?” section. There is a full timetable of events on page 39.

What happens if my circumstances change?
You will need to contact the Admissions section in your borough if your circumstances change. We offer places based on the information available at the closing date and you may change your preference or the order of your preferences up until that date. If we have given your child a place, we will not withdraw it if your circumstances change (such as your address), as long as you can show that the information was correct on the closing date. However, if we discover that we have given a place based on false, inaccurate or misleading information, we will withdraw it and may take legal action. We will treat as late any changes to preferences or their ranking, conditions, circumstances or applications we receive after the closing date.

What if my application is late?
If we receive your application after the closing date (15 January 2020) we will treat your application as late. In exceptional circumstances, senior officers may consider whether we can process a late application as ‘on time’ in the first round, if there is enough time to process the application. These circumstances include the death of a close relative, or a family recently moving into the area (in which case we need proof). If you send us your application after the closing date but want us to consider it in the first round of offers, please send a letter with your application explaining the exceptional circumstances you want us to consider, together with any supporting evidence. We will make a decision on each case individually and let you know the outcome within 10 working days of receiving your request.

If we receive your application late, we will deal with it after we have dealt with the applications that we received on time. We will deal with late applications in the order we receive them (in line with the admission criteria). We will deal with the first round of offers and send decision letters on 16 April 2020. At this stage, we will have given most of the available places to pupils whose applications we received by the closing date. If we receive your application between 16 January and 12 April 2020, we will send decision letters on 16 April 2020. If we receive your application after 12 April 2020, we will process it within 10 working days of receiving it. We will send decision letters by email if possible (or by post if you do not provide an email address).

When will I know the result of my application?
If you apply online, you can find out the results of your application on 16 April 2020. We will send you an email late that evening letting you know the outcome of your application. You can also log in to the eAdmissions website from 7pm on 16 April 2020 to see your results and accept the place you have been offered. Please see section “Do I need to accept your offer?” for more details.
If you were not able to apply online but applied direct to the School Admissions Team by the closing date, we will send you the results by first-class post on 16 April 2020. Please allow up to two days for your letter to be delivered. We cannot tell you the results of your application over the phone. If you have not received your letter by 21 April 2020, please contact us and we will send you another copy.

If you want to change your preferences or the order of your preferences, you will need to send a new application form to your local authority’s School Admissions section.

The local authority you live in will make offers for places at all Barking and Dagenham reception-phase schools on national offer day (16 April 2020). If you applied between 16 January 2020 and 15 April 2020, offers will be made from national offer day onwards, but you will need to check how your home borough handles late applications. If we receive your application after national offer day, we will process it within 10 working days of receiving it.

We send any preferences we receive for schools outside this borough to the relevant school or LA every Friday. We will contact you if we can offer your child a place at one of these schools. Any changes you make after the closing date will not appear on your eAdmissions account. Instead, we will reply to your enquiries by phone, post or email.

From 1 September 2020, local authorities will no longer co-ordinate applications and parents will have to follow the in-year admissions process. Full information about our in-year process is available on our website within our e-booklet ‘Finding a school place’.

Why have I been offered a school that was not one of my preferences?

The admissions authority for each of the schools you have listed will use their published conditions (admission criteria) to decide the order in which to offer places. If we are unable to offer a place for your child at one of the schools you listed as your preferences, this is because there were more applicants for the schools you requested than there are places available. If you live in Barking and Dagenham and it is not possible to offer your child a place at one of your preferred schools, we will give your child a place at the school which is nearest to your home with a space.

Do I need to accept your offer?

Yes. As school places are very limited in all the London boroughs, we ask that you tell us if you want the place we have offered your child. Please use the eAdmissions website to reply. You can log on to the site with the username and password you received when you registered to make your application. If you have forgotten your details you can enter your email address and get a reminder sent to you.

You can also reply by email (infos@lb bd.gov.uk), quoting your child’s name, date of birth and application reference number. If you have filled in a paper form we also provide a paper reply form for you to post back to us. You can phone us five working days after replying to check that we have received the information. If you do not accept the place we offer you by the reply date, we will withdraw our offer. If we withdraw our offer or you reject our offer, your child will not have a school place.

If you still need help to apply online after calling the helpdesk (020 8255 5555 - option 1), help sessions are available at Dagenham Library on Tuesdays and Barking Learning Centre on Thursdays until 14 January 2020. Each session starts at 9am and ends at 4.30pm.

The closing date is 15 January 2020
Because of this, we recommend that you accept the place we offer you while you stay on the interest list and or appeal against our decision (or both). If you reject or we withdraw our offer, we will not offer your child another school place unless a place becomes available from the interest list of your preferred schools or during the term after your child’s fifth birthday (this is when they must start school by law).

When your child is due to start school, the place we give you may be further from your home than the one we originally offered you.

• If you applied by the closing date, we must receive your reply by 30 April 2020.
• If your application is late, you should let us know if you want the place you have been offered within 14 days of your offer letter.

We cannot keep the school place open for your child past the school year in which we received your application form. Your child must be in school from the term after their fifth birthday. If we have offered your child a school place but you do not want them to start immediately, please see the next section about deferring (delaying) their start date or starting school part-time.

Can I delay my child’s start date or let them attend part-time?

Children normally start school in the September following their fourth birthday and a parent or carer will apply for a reception school place for their child in the normal admissions round. However, you can defer (delay) your child’s start date or ask if your child can go to school part-time until the term after their fifth birthday.

To do this you must write to the School Admissions Team, who, with the Head of the School Improvement Team, will consider your request. You cannot delay your child’s start date past the summer term of their reception year. A child reaches compulsory school age in the term following their fifth birthday and, by law, they must be going to school by this time. If your child is a Year 1 pupil by this time (for example because their birthday is in August), you must apply for a Year 1 place using the ‘in-year’ school admissions process.

How can I educate my child outside their usual year group?

If you would prefer your child to go back or forward a year, rather than start school in the relevant year group you should write to the School Admissions Team during the normal round of admissions for your child.

Again the School Admissions Team, with the Head of the School Improvement Team, will consider your request. You must still apply for a 2020 reception place as usual while we consider your request.

Please contact us for more details.

What happens after I have accepted the place you have offered?

Once you have accepted the school place we have offered your child, we will tell the relevant school. They will contact you later in the summer term to tell you about the admission arrangements and the uniform you need for your child. You will need to show proof of your and your child’s address as listed on page 13. Some schools will want to make an appointment to interview you and your child. Other schools will visit you at your home. This is not part of the application process. It is to make sure your child can start school as easily as possible.

Schools may also ask for other information about your child, including details of what vaccinations they have been given, and the name and contact details of your family doctor.

What happens if my child is not offered a place at the schools I have listed?

If you live in Barking and Dagenham and it is not possible to offer your child a place at one of your preferred schools, we will give your child a place at the nearest school to your home with a space.
Do I have the right to appeal?

Barking and Dagenham schools

You have a right to appeal to an independent appeal panel if we do not offer your child a place at the Barking and Dagenham schools on your application form which are listed as a higher preference than the one we have offered you. For example you can appeal for preference 1 and 2 if we have offered you preference 3. Any schools listed lower than the school offered have not been turned down but rather have been withdrawn based on how you have ranked the schools on your application form.

As a result you cannot appeal for a lower preference or a school that you have not listed on your form. If you want to apply for a school that you did not list on your original application form or you want to change the ranking of the schools on your original application form, you need to confirm this in writing to us by filling in a new application form which you can get from your local authority. If you change your preferences and do not reselect schools which you are appealing for, your appeal will be withdrawn.

All the available reception places at your preferred school will have been distributed in line with the local authority’s published admission criteria. No places are left unfilled for any reason, including appeals.

If you decide to appeal for a place at any Barking and Dagenham schools, please fill in our online appeal form. If you applied on time, and would like your case to be heard in the first round of appeals, you must submit the appeal form by 21 May 2020. Or you can download and fill in the paper appeal form and send it to the independent appeal panel clerk, whose address is printed on the front of the form. For late applications the deadline for appealing is 21 school days from the date of our offer letter.

Once you send your form, the independent appeal panel clerk will write and tell you the date of your appeal. The appeal will be heard by an independent appeal panel, which will be made up of three people. None of these people will have any connection with the school or the School Admissions Team. The appeal panel will accept comments in writing or in person at the appeal hearing.

If you made your application on time, we will hear your appeal within 40 school days of the deadline of 21 May 2020. If your application was late, we will hear your appeal with the appeals for applications we received on time if possible. If this is not possible, we will hear it within 30 school days from the deadline for making appeals (as shown on your offer letter).

At any time during the school year (now until mid-July 2021), you have the right to appeal our decision not to offer your child a place at one of the schools you listed on your application, which we received during that school year. However, if your appeal cannot be heard within that time because you made your appeal late in the school year and there is not enough time left for your child to start the school before the end of that school year, you will need to fill in an in-year application (ICAF) for the next school year. If we turn down that application, you will be able to make a new appeal.

For example, if you appeal at the end of June for your reception place, but your appeal cannot be heard by the time schools close in July, you will need to fill in an ICAF for a Year-1 place for the new school year beginning in September 2020. You can make your application for a Year-1 place from 1 July 2021. If we turn down that application, you can appeal that decision.

If you still need help to apply online after calling the helpdesk (020 8255 5555 - option 1), help sessions are available at Dagenham Library on Tuesdays and Barking Learning Centre on Thursdays until 14 January 2020. Each session starts at 9am and ends at 4.30pm.

The closing date is 15 January 2020
Important note for infant class size
By law, Reception, Year 1 and Year 2 classes (also known as Key Stage 1) must not contain more than 30 pupils with a single teacher – this is known as ‘infant class size prejudice’. So for Key Stage 1 classes that already have 30 pupils, the panel should only allow an appeal in exceptional circumstances. This means that appeals for places in Key Stage 1 have a very limited chance of being successful.

Important note for schools with two sites
If you apply for a place at a specific site at Manor, Ripple, Roding or Valence School but are not successful, you can only appeal for a place at the school, not a place at a specific site, as both sites are managed by the same head teacher and governing body. If you win your appeal, the school will decide which site your child will go to.

Please note that the Sydney Russell School only has one site, on Fanshawe Crescent, for primary-aged children.

Schools outside the borough
You can appeal against not being offered a place in a school outside Barking and Dagenham that you listed on your common application form. You will need to contact the relevant admission authority (local authority or school) for more details about how to appeal.

Further appeals
We can only consider one application for each child, at each school within the same school year. If we turn down your application, you have the right to appeal. The appeal panel’s decision is final and both the LA and you must accept it.

In normal circumstances there is no right to a second appeal for the same school within the same school year. However, if there has been a significant and material change in your family’s circumstances which you believe affects the level of priority under which your application was processed, for example if your family has moved house, the School Admissions Team may consider a second application as long as you can provide evidence of your changed circumstances. If we accept your second application but a place is still not available at the school for your child, you will be able to make a second appeal.

Can I go on an interest list?

Faith schools
The faith schools (except George Carey) will automatically put your child on the school’s interest list with other children whose applications were turned down but are listed higher than the school your local authority offered you. If places become available, we then offer these using the schools’ admission criteria. Your child will stay on the interest list for a school year (until August 2021). If you still want to stay on the interest list after this date, you will need to fill out a new application form for the new academic year and you will have the opportunity for a new appeal.

All other Barking and Dagenham schools
These schools include our community schools, Eastbury Primary, George Carey, Goresbrook School, James Cambell, Riverside, Sydney Russell and Thames View infants. We will automatically put your child on an interest list for any other preferred Barking and Dagenham schools that we turned down but are listed higher than the school we have offered you. For example, if we have offered you preference number 3, your child will automatically be placed on the interest list for preference 1 and 2, if these are Barking and Dagenham schools.

The interest list will be updated on a weekly basis and your child may therefore move up or down the interest list according to the criteria and other children applying for oversubscribed places. We maintain the interest list for each of these oversubscribed schools until 23 December 2020.

We delete the interest lists for these schools at the end of each term (December, April and July). If places become available before this date, we offer them to children on the interest list using only the admission criteria. If at the end of the term you have not received an offer from the interest list, you will need to write to us at that time to place your child’s name on the new interest list for the next term.

If you still want to stay on the interest list after July 2021, you will need to fill out a new application form for the new academic year and you will have the opportunity for a new appeal.
We do not take into account the date we received your application. If you want to apply for a school you did not list on your original application form or you want to change the ranking of the schools on your original application form, you need to confirm this in writing to us by filling in a new application form which you can get from your local authority. Forms received after the closing date will be processed as a late application.

**Schools outside the borough**
You will need to contact the school or the local authority concerned to follow their interest-list procedure. If places become available at those schools, we, not the schools, will offer those places. Co-ordinated admissions ends on 31 August 2020, after that date you will need to follow the 'In-year admissions’ process (see below for details) when applying for school places or remaining on a school’s interest list.

**What happens if my child starts school but wants to transfer to another school in the borough?**
First, make an appointment to discuss the matter with the pupil’s current head teacher, as many situations can be dealt with without the disruption that a change of school can cause. If you still want your child to transfer and you have not put your child’s name on the interest list for another school, please follow the guidance in the information e-booklet 'Finding a school place'. From 1 September 2020, applications or transfers for school places fall under the in-year admissions process and for more information about this please see our website or phone 020 8215 3004. You must make sure that your child continues to regularly attend their current school while we are processing your transfer request.

Admission criteria

Admission criteria for reception places at our academy, community and free schools

If there are more applications than there are places available at a school, we will use the following criteria, in priority order, for deciding which applications to accept. Eastbury Primary, George Carey Church of England School, Goresbrook School, James Campbell, Riverside, Sydney Russell and Thames View Infants will also use these admission criteria.

Priority 1 Children who are or were in the care of a local authority. Please see note 2.

Priority 2 Children who have a sibling (brother or sister) at the school (or in the case of an all-through school, infant school, the linked junior school) when they are due to start school. Linked infant and junior schools are Dorothy Barley Infant and Dorothy Barley Juniors, Manor Infants and Manor Junior, Furze Infant School and Warren Junior School, Thames View Infants and Thames View Junior School, Village Infants School and William Ford Church of England Junior School as linked for this purpose. Please see note 3.

Priority 3 Children who live closest to the school, measured in kilometres in a straight line (as the crow flies).

Important notes

1 Children with an EHC plan (see page 14) are not included in the above criteria as we deal with them under the terms of the Children and Families Act 2014. We will offer children with an EHC plan a place at the school that is named on their EHC plan.

2 A looked-after child is a child who is or was:
   • in the care of a local authority; or
   • being provided with accommodation by a local authority under their social services duties (see the definition in Section 22(1) of the Children Act 1989).

For admission purposes we consider a 'looked-after child' to be a child currently in care or a child who was in care but became the subject of an adoption, residence, or special guardianship order immediately after leaving care (see page 14).

3 ‘Sibling’ means:
   • a full brother or sister;
   • a half-brother or half-sister;
   • a stepbrother or stepsister; and
   • an adopted or long-term fostered brother or sister; living at the same address and going to the named school (not including the school’s nursery or siblings in Years 7 to 13 at all-through schools). Please make sure you name the relevant sibling on your application form. If they are not listed on your form, we cannot take them into account.

4 The child’s home must be the permanent address where they live with their legal guardian. This should be the address for your Council Tax and where any Child Benefit is addressed (see pages 12 to 13).

5 All distances are measured using Synergy’s geographical information system, from the centre of the child’s home to the school’s main gate. Some addresses have different entry points and so we will use the co-ordinates provided from Local Land and Property Gazetteer (LLPG). If you live outside the area, we will use the same system to work out distances.

6 When children have an equal claim to a place because their measurements are the same (for example, from a block of flats), we will use a lottery system (random allocation) to offer places to children. Please write to us (the School Admissions Team) if you would like full details of the lottery system we use.

7 You should remember that going to a particular nursery class does not guarantee, or give priority for, a place at an all-through, infant or primary school. Also, going to a particular infant, primary or junior school does not guarantee, or give priority for, a place at a particular secondary school.

8 We cannot consider other circumstances not listed in the admission criteria. It is important that we are consistent in our judgement and use only the admission criteria that have been agreed.

9 If we discover that we have given your child a place at a school based on false or misleading information, we will withdraw the place and may take legal action.

Admission criteria for our faith schools

Important notes relating to the admission criteria for all Catholic primary schools

Our five Catholic primary schools were founded by the Catholic Church to provide an education for children of Catholic families. If there are more applications than places available, priority will always be given to Catholic children in line with the relevant school’s admission criteria listed on pages 28 to 29. Each school is governed by its governing body as part of the Catholic Church in line with its trust deed and instrument of government. The governing body of each school is the admission authority and has responsibility for admissions.

Our Catholic schools aim to provide a Catholic education and Catholic beliefs and practice to every aspect of their activities for all pupils. It is essential that the Catholic character of each school’s education is fully supported by all families in the school. We hope that all parents will fully and positively support the aims and ethos of the school their child attends. This does not affect the rights of any child who is not Catholic who applies for or is given a place at one of our Catholic schools in line with that school’s admission arrangements.

Before you apply, please read the relevant admission criteria for the schools you are applying for. If there are more applications than there are places available, each school will use their admission criteria in priority order to decide who to offer places to.

Please read the procedures for filling in and sending in the certificate of Catholic practice form, baptism certificate and the cover note on pages 36 and 37. If you do not provide the information we and your local authority need by the closing date, your child’s application will not be processed under the relevant admission criterion and you risk not getting a place at one of our schools.

If you have any questions about the admission criteria or appeals, or if you need more information, please contact the relevant school.

Important notes

1. We first process applications from pupils with an education, health and care plan (EHC plan) or a statement of special educational needs (SEN), as these applications are dealt under a completely separate procedure. If an EHC plan or SEN names our school, we must offer the child a place. After we have given these pupils a place we will offer the remaining places to other applicants, using our admission criteria. A statement of special educational needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision a child needs. An education, health and care plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision a child needs.

2. A ‘looked-after child’ has the same meaning as in section 22(1) of the Children Act 1989. It means any child who is in the care of a local authority or is being provided with accommodation by them in line with their social services duties (for example, children with foster parents) at the time of their application for a school place. A ‘previously looked-after child’ is a child who was in the care of a local authority but is no longer in their care because he or she was adopted or a child arrangements order or special guardianship order has been put in place.

3. ‘Catholic’ means a member of a church in full communion with the See of Rome. This includes the Eastern Christian Churches including Orthodox. Members of the Catholic Church will normally have a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, ‘Catholic children’ includes looked-after children who are part of a Catholic family if a letter from a priest states that the child would have been baptised or received into the Catholic Church if they were not a looked-after child (for example, a looked-after child who is in the process of being adopted by a Catholic family). For a child to be treated as Catholic, we will need evidence that they have been baptised or received into the Catholic Church. If you have difficulty getting written evidence of your child’s baptism, contact your parish priest. He will consult the relevant diocese and decide how
Admission criteria for our faith schools

Important notes relating to the admission criteria for all Catholic primary schools

written evidence will be produced in line with the laws of the Church.

4. ‘Certificate of Catholic practice’ means a certificate issued by the family’s parish priest (or the priest in charge of the church where the family attends Mass) in the form set by the Bishops’ Conference of England and Wales. A priest will issue a certificate if he is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) has (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if this is a shorter time). The priest will also issue a certificate if the family’s practice has been continuous since they were received into the Church if that was less than five years ago. It is expected that most certificates will be issued based on the family’s attendance at church. The priest may also issue a certificate if the family is not able to attend church regularly due to exceptional circumstances. (For more details of these circumstances, please see the guidance that is issued to priests at www.dioceseofbrentwood.net/wp-content/uploads/2017/11/Guidance-for-Clergy-2017.pdf.)

5. ‘Eastern Christian Church’ includes Orthodox churches. Members of the Eastern Christian Church will normally have a certificate of baptism or reception from the authorities of that church.

6. A ‘parent’ means all biological parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

7. If, when you apply for a school place, you provide evidence from an appropriate professional (such as a social worker, doctor or priest) that the child has an exceptional social, medical or pastoral need which can most appropriately be met at your preferred school, the application will be placed at the top of the category the application is being processed under.

8. After exceptional social, medical or pastoral need, within each category the school will then give priority to children who have siblings (a brother or sister) at the school at the time of admission (reception to Year 5). ‘Brother or sister’ includes:

a. all full brothers or sisters, half-brothers or half-sisters, adopted brothers or sisters, stepbrothers or stepsisters, foster-brothers or foster-sisters, whether or not they are living at the same address; and
b. the child of a parent’s partner if, for at least part of the week, that child lives in the same family unit at the same address as the child the application relates to.

9. For the purposes of this policy, parish boundaries will apply to the admission arrangements for 2020-2021. You can get more information on parish boundaries from parish churches and schools.

10. The child’s home must be the permanent address where they live with their legal guardian. This should be the address shown on the parent’s or carer’s council tax bill, and the address which will be used for Child Benefit.

11. All distances are measured using Synergy’s geographical information system, from the centre of the child’s home to the school’s main gate. All distances are measured in kilometres in a straight line (as the crow flies). Some addresses have different entry points and so we will use the designated co-ordinates provided from Local Land and Property Gazetteer (LLPG). If you live outside the area, we will use the same system to measure distances.

12. If two or more children have an equal claim to a place in any one category, we will give priority to the children who live closest to the school.

13. If two or more children have an equal claim to a place because the measurements from their homes to the school are the same (for example, because they live in a block of flats), we will use a lottery system (random allocation) to offer places to children. This process will be supervised by a person independent of the school. All the pupils’ names will be put into a hat and the appropriate number of names will be drawn out.

14. We cannot consider other circumstances that are not listed in the criteria. It is essential that we are consistent in our judgement and use only the criteria that have been agreed.

15. If we discover that we have given your child a place at a school based on false or misleading information, we will withdraw the place and may take legal action.

### Important notes:

- Children who are or were in the care of a local authority are given priority over all other children and you will need to provide a letter signed by a fully qualified social worker employed by that local authority if this applies. After we have offered places to any children who are or were in the care of a local authority, the remaining places will be filled by children with the highest number of points using the criteria above.

- Regularly going to a church means going at least twice a month, for a period of at least one year, to your present or previous place of worship. You must get written evidence from any previous places of worship to support your application.

- If two or more children have an equal claim to a place in any one category, we will give priority to children who live closest to the school, measured in kilometres in a straight line (as the crow flies). We (the Barking and Dagenham Admissions Team) measure all distances using a geographical information system from the centre of the child’s home to the school’s main gate. If you live outside the area, we will use the same system to measure distances. When children have an equal claim to a place because their measurements are the same (for example, from a block of flats), we will use a lottery system (random allocation) to offer places to children. Please write to us (the School Admissions Team) if you would like full details of the lottery system we use.

- If your child already goes to our nursery, this does not necessarily mean they will be offered a place in the primary school.

### Administration

You will need to fill in the common application form (CAF) and return it to your School Admission Team where you live by 15 January 2020. You must also fill in the SIF for our school on pages 49 to 50 if you are applying under the faith criteria and return it to the school by 15 January 2020. Please see pages 36 to 37 for full details. A panel of governors will consider all applications, and your local authority will let you know the outcome on 16 April 2020. Appeals and interest list information is on pages 22 and 23.
The school takes 90 pupils each year, with 30 children in each class. The school welcomes all children of all parents who choose to have their children educated at the school. If we receive more applications than there are places available, the governors will use the following criteria to decide who to offer places to. If you are applying under category 2 or 5, you should fill in the supplementary information form. If you are applying under any of the other categories, you do not need to fill in the supplementary form.

**Before you apply for a place at this school, please make sure you follow the instructions on pages 36 to 37.**

**Admission criteria**

1. “Looked after children” or children who were previously looked after but left local authority care because they were adopted or became subject of a residence order or special guardianship order. Please see note 1 for more details.

2. Children who, with one or both parents regularly go to the Church of St Peter and St Paul Dagenham (‘Dagenham Parish Church’). Please see note 2 for the definition of regularly going to church.

3. Children who have a sibling at the School at the time they would start at the school. Please see note 3 for definition of sibling.

4. Children who go to Village Infants School at the time of application.

5. Children who, with one or both parents, regularly go to a Christian Church, other than Dagenham Parish Church, of a denomination which is a member of Churches Together in England. Please see note 2 for the definition of regularly going to church.

6. Any other children who do not fall within the categories listed above.

**Important notes**

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions. In the case of such children we will require a letter signed by a fully qualified social worker employed by the local authority concerned.

2. In the admission criteria “regularly going to church” means going at least once every two weeks to either Sunday Service or other midweek activities (not including those of a purely social nature) for at least two years. The parish priest or another minister needs to confirm this, in writing on the supplementary information form.

3. ‘Sibling’ means a full brother or sister, a half-brother or half-sister, a stepbrother or stepsister, and an adopted brother or sister living at the same address or children who have been living in the same household in a long-term foster relationship for more than one year.

4. The current School Admissions Code states ‘schools are required to admit children with statements of special educational need where the school concerned is named on the statement’. We process these applications first and the rest of the places will then be processed using the school’s admissions criteria.

5. The governors will consider applications equally in line with the school’s criteria. They will not take account of the preference order that you have given the school on your application form.

6. If we discover we have given your child a place based on false, inaccurate or misleading information, we have the right to withdraw the place. Other brothers and sisters of any child who is offered a place based on false, inaccurate or misleading information will not be considered under the sibling criterion. However, in circumstances where a child has had their place withdrawn because of such false, inaccurate or misleading information on their application and who is later admitted to school genuinely from the interest list, or following a successful appeal, that child’s brothers and sisters will be considered under the sibling criterion.

7. For a list of churches that are members of Churches Together in England, visit www.churches-together.net.

8. We (Barking and Dagenham Schools School Admissions Team) will measure all distances using Synergy’s geographical information system from the centre of the child’s home to the school’s main gate. Some addresses have different entry points and so we will use the designated co-ordinates provided from Local Land and Property Gazetteer (LLPG). They will measure the distance from the centre of the child’s permanent home to the main entrance of the school in a straight line basis (as the crow flies).

9. If two or more children have an equal claim to a place within any criterion, we will give priority to children who live closest to the school. If the distance for two or more children is the same (for example, because the children live in the same block of flats), we will use a lottery system (random allocation) to decide who to offer places to. This process will be independently checked. If parents have shared responsibility for caring for a child who lives with each of them for part of the week, we will use the address closest to the school for this purpose.

10. We cannot consider other factors not listed in the admission criteria as it is important that we are consistent in our judgment and apply the criteria fairly.

11. Please see page 22 for appeals information.

12. Please see page 23 for interest list information.

The table of information gives statistics about entry to reception classes to Barking and Dagenham schools in September 2019. It includes the number of people who sent us their application forms by the closing date and shows the number of pupils given a place under each category of our 2019 admission criteria. Distances are measured in kilometres in a straight line (as the crow flies).

The number of applications for each school and the addresses from which children are applying will be different from year to year.

Information
1. Of the total applications we received by the closing date:
   • 94.1% received their first-preference school;
   • 3.75% received their second-preference school;
   • 0.9% received their third-preference school;
   • 0.3% received their fourth-preference school;
   • 0.09% received their fifth-preference school;
   • 0.06% received their sixth-preference school; and
   • 0.8% were given the nearest school to their home which had a place.

2. Please contact the voluntary-aided schools direct for more information on their statistics.

3. The statistics for late applications refer to applications received between 16 January and 31 August 2019.

4. The appeals information is based on the first round of appeals heard between 7 April and 31 August 2019.

Example
This example uses information for Northbury Primary to help you understand how to use the table.

- The ‘Total applications’ column shows that 249 people applied for a place at the school (by the closing date).
- The ‘Admission number’ column shows the maximum number of children that may go to the school within a school year. In this case, it is for 120 children.
- The ‘SEN’ column shows that no child was given a place on the basis that the school had been named on their statement of special educational needs (SEN).
- The ‘LAC’ column shows that no one was given a place on the basis that they were in the care of a local authority.
- The ‘Sibling’ column shows 44 children were given a place because they had a brother or sister at the school.
- The ‘Distance’ column shows 76 children were given a place under the distance category.
- The ‘Last place’ column shows that the child who got the last place under the distance category lived 1.1316 kilometres from the school.
- The ‘Appeals received’ column shows that 1 parent appealed for a place at the school.
- The last column (‘Appeals allowed’) shows that no parent won their appeal and gained a place for their child at the School.

How to fill in your forms

The common application form

Starting school is not an automatic process. If you do not fill in and submit the common application form (CAF) by the closing date, we may not be able to give your child a place at the school you prefer. This applies even if your child is at that school’s nursery (your child will not automatically move from the nursery to a reception school place) or if you have another child in that school.

- Please use all your six preferences and rank them in the order you prefer.
- Some schools may need you to send extra documents or fill in supplementary forms (or both), see pages 36 to 37 for details.

The information you need to put on your form is as follows, but the order of the information is different on the online form. Please see page 38 for details of how to send us any documents we ask for if you cannot attach your documents online.

Details we ask for

Whether you fill in an online or paper form we need the following details. You need to fill in a separate form for each child. In the case of twins, triplets and so on, make sure you have a different ARN for each child when you apply online. To do this, make sure you tick ‘yes’ to the ‘multiple birth’ question so that you can fill in the extra online forms for each child.

Child’s details

Child’s name – This should be your child’s legal name given on their birth certificate or passport. You are responsible for making sure that you have used the same name on all forms needed for your child’s application. If you do not, we may not be able to process your child’s application.

Child’s date of birth – Please select the day, month and year boxes.

Child’s sex – Please select the relevant box to show if your child is male or female.

Child’s address – This must be the permanent address where the child lives with their parents or legal guardians and where Child Benefit is addressed. Please see pages 12 to 13 for full description.

Child’s current school – Please select the name of your child’s nursery school from the menu. If your child is at Manor, Ripple, Roding or Valence, please also tell us which site. If the school is not listed, you may type this information in the space given.

Children with additional needs

- Please select the relevant box to show if your child has an EHC plan.
- Please select the relevant box to show if your child has any additional needs and give details in the box provided. See page 14 for more details.

Children in care

Please select the relevant box to show if your child is or was in the care of a local authority. If so, please attach a letter from the social worker confirming the legal status of the child and the local authority the child is in the care of. The letter should also provide the reasons for the preferred schools listed.

If the child was in care but is no longer being cared for by a local authority, tick ‘yes’ and provide documents to show the child was previously in the care of a local authority. See page 14 for more details.

Preferences for primary places

School name
Please select the name and borough (if outside the London borough of Barking and Dagenham) of up to six different schools you want to apply for. You must list the schools in the order you prefer them. Number 1 is the school you most prefer and number 6 is the school you least prefer. You must list all state-maintained schools or academies (not private schools) you are applying for, including any schools outside the borough of Barking and Dagenham. If the schools you want to apply for are not listed, you must contact the School Admissions Team before 5pm on 15 January 2020 or your application will be late. Our contact details are on page 38. Please make sure you select the correct school as there are many schools with the same or similar names.

Siblings (brothers and sisters)
Please select the relevant box to show if your child has a brother or sister at the school (or linked school) you are applying for. Give the name, date of birth and sex of any brother or sister who is already at the school.
Starting school full-time 2020

you are applying for. This includes a full, half, step, adopted or long-term fostered brother or sister living at the same address. If you do not put the sibling’s name and date of birth in the correct section, we will not see the information on our computer system and so will not give your child priority under the sibling criterion. **We do not consider relevant siblings who are not named in the correct section on your CAF.**

**Children of staff at the school**
If you are applying to a school outside this borough for your child and that school gives priority to children of staff members, please include the name and job title of the staff member employed by the school and the number of years they have worked at the school. Children of staff are not considered under the admission criteria for Barking and Dagenham schools. Our criteria are listed on pages 24 to 31.

**Reasons for your preference**
Some local authorities consider social and medical reasons as part of their admission criteria. We do not do this for our schools. If you are applying for a school outside the borough, it is very important that you check the admission criteria of each school you are applying for to see if their admission criteria take account of exceptional medical or social reasons. These might include religious, philosophical or any other reasons.

If you think there are exceptional medical or social reasons why your child should go to a particular school, select the relevant box on your online form to show this (or section 4 of the paper form). With your application you also need to provide proof that is supported by a professional (such as a doctor’s report) direct to the relevant admission authority (school or local authority).

**Parent’s or carer’s details**

**Parental responsibility** – The adult listed on the form should be the person or people with parental responsibility for the child named. Please give your full name and contact details, and tick the relevant box to show your title and relationship to the child named (for example, tick ‘other family member’ if you are a sister caring for the child). Please remember to provide documentary evidence of legal guardianship if you are not the child’s biological parent.

**Parental address** – The online form automatically ticks the box to show that you and your child share the same address. If your address is different from the child’s address (for example parents share custody), please untick the question box ‘Use your home address?’ and enter your and your child’s address details. If you fill in a paper form, please explain why your address is different from the child’s and give both addresses on a separate sheet of paper. If we ask for proof of address, please make sure you send us the information listed on pages 12 to 13.

**UK Armed Forces**
Please tick the relevant box to show that you are either:
• a UK Armed Forces family with a confirmed posting to the area; or
• a crown servant returning from overseas to live in the area.
Please see page 15 for more details.

**Password**
We need a password for security purposes only. When you apply on a paper form, we will need you to give us a password between 8 and 12 letters long. Without this information we cannot give out information on your application if you visit or phone us. If you apply online, we will need your application reference number for security purposes.

**Declaration**
The person with parental responsibility for the child named in section 1 must tick the box in the declaration to confirm that they have read and understood the information in this e-booklet and that the information they give is accurate. If you are filling in a paper form, you must sign it in section 6.

**Getting a receipt**
If you apply online and successfully submit (make) your application, you will get an email confirmation and be given an application reference number. This is your receipt. Please make a note of your application reference number and keep it in a safe place as you will need to tell it to us if we have any questions we need to ask you.

If you post any information to us, proof of posting is not proof that the Admissions Team has received your documents as neither you nor we can prove what was included in the envelope. You are also responsible for making sure you pay the correct postage charge. We cannot accept any responsibility for underpaid packages.

If you want us to let you know that we have received information you have posted to us, you must enclose a stamped self-addressed envelope. If you do not hear from us within 14 days of posting your information, it is likely that we did not receive it. In that case, we strongly recommend that you apply online and we will email you a receipt.
Providing us with extra information

If you are providing extra information or evidence to support an online application, you may do this online. If you choose to provide paper evidence either by scanning and sending the documents through Barking or Dagenham Library or by emailing us direct, please remember to include your child’s name, date of birth and application reference number. This will make sure that we can match your extra information to your application. In most cases you will need to send any extra information to the relevant school or LA. Please check carefully with the relevant school or LA what you need to provide and who needs to receive it.

Extra forms and documents (including supplementary information forms SIFs)

Our faith schools

All the Barking and Dagenham faith schools (except for George Carey School) will need you to fill in extra forms or a supplementary information form (SIF) for their school if you apply under their faith criterion. The admission criteria for all Barking and Dagenham faith schools are listed on pages 26 to 31 in alphabetical order. Please read your preferred school’s admission criteria and procedure before you apply. Each school will then apply their admission criteria to your application and the School Admissions Team where you live will let you know the school’s decision on 16 April 2020 if you applied before the closing date.

There are three stages if you want to apply for a place in a reception class under the faith criterion at one of the borough’s Catholic or Church of England schools. Your application will not be complete if you do not follow this process and you will be putting your chance of getting a place at your preferred school at risk.

1 You will need to fill in the common application form (CAF) and return it to the local authority you live in by 15 January 2020. Please see page 39 for full timetable.

2 You must also fill in a SIF for each of our Church of England schools or cover note for each of our Catholic schools you are applying for. These forms are in the back of this e-booklet (pages 47 to 50). You can also get more copies from each of the faith schools or the council’s website. This second form shows your commitment to your faith as shown by your links to your local church.

Church of England schools - Once you and your minister have filled in the SIF for Church of England you are applying to, the minister will need to return the form direct to the school by 15 January 2020. You will need to fill in one form for each child. Please give your minister a stamped, addressed envelope with the school’s address on it, so that they can return the form direct to the school by 15 January 2020. This second form shows your commitment to your faith as shown by your links to your local church. The school will place applications it receives after this date on an interest list. The governors will need references from your clergy (leader of your church) on behalf of your child if you apply under the faith criterion.

Catholic schools – All Catholic schools use the same cover note form, and you should fill in one form for each child for each Catholic school you want to apply for.

If you think your child has a social, medical or pastoral need which means they must attend our school, you must provide written evidence of this from an appropriate professional, such as a social worker, doctor or priest.

If you want your child to be recognised as a Catholic or as being baptised, you should send the relevant schools a cover note as well as a photocopy of your child’s baptism certificate (or certificate of reception into the Catholic Church). If you want to be recognised as a practising Catholic, your local priest must also provide you with a CCP form. Please see the CCP section below before you apply. Return all extra documents direct to the relevant schools by 15 January 2020.

Certificate of Catholic practice form (CCP) – If you want to be considered as a practising Catholic you must meet with your parish priest so he can give you a CCP which you must then send to the Catholic school with the extra documents they have asked for. A CCP means a certificate issued by the family’s parish priest (or the priest in charge of the church where the family attends Mass) in the form set by the Bishops’ Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) has (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of the child, since the age of seven, if this is a shorter time).
A certificate will also be issued when the practice has been continuous since the family was received into the Church if that was less than five years ago. It is expected that most certificates will be issued on the basis of attendance. The priest may also issue a certificate when the family’s attendance is interrupted by exceptional circumstances which prevent them from attending on an occasion or occasions. There are more details of these circumstances in the guidance issued to priests.

If your priest is not local and is unfamiliar with these requirements, please ask him to contact the admissions officer for the relevant Catholic school. The CCP is available from Catholic schools and Catholic churches.

3 You will also need to give the following documents direct to each of the Barking and Dagenham faith schools that you are applying to:

**Other documents for St Margaret’s school:**
- Your child’s birth certificate
- Proof of your and your child’s address as listed on page 13

**Other documents for each Catholic school:**
- Your child’s birth certificate
- Proof of your and your child’s address as listed on page 13
- Your child’s baptism certificate
- Evidence from an appropriate professional (such as a social worker, doctor or priest) to prove your child has a social, medical or pastoral need that can most appropriately be met at one of our Catholic schools

All faith schools will need to see the originals of all the documents listed above but you will also need to bring photocopies of these documents with you for the school to keep.

---

**SIFs for schools outside Barking and Dagenham**

If you are applying to schools outside Barking and Dagenham, you need to fill in the common application form from your child’s home borough and then check whether the school needs you to fill in a supplementary form and provide any other documents.

If so, you must send the information each school has asked for direct to the relevant school or LA.

If a school or LA asks for a supplementary form and documents but you do not send it direct to them, your application will not be considered under the correct criterion for that school because you did not give them all the information they asked for.

Your application will not be considered if you fill in a school’s supplementary form but not your local authority’s common application form.

---

**Important information**

- We will not pass on any forms and documents you attach to your online form to the school or LA on your behalf. You must send these direct to the school or LA.

Returning your information

Common application form

If you live in this borough you can make your application by going to the link on our website at www.lbld.gov.uk/admissions or you can go straight to the eAdmissions site at www.eadmissions.org.uk. You must make your application no later than midnight on 15 January 2020. Do not leave it until the last day to apply.

If you live outside Barking and Dagenham you must fill in the common application form available from the borough or county council area that you live in and return that form, to that council by their closing date.

Late applications

If your application is late, you are not likely to get a place at an oversubscribed school. If we receive your application late, we will deal with it after we have dealt with the applications that we received on time. Moving from infant school

In September following a child’s seventh birthday, children who go to an infant school will move to another school for the next phase of their education. Children at infant schools in the borough will normally transfer to their linked junior school, but you must apply for a junior class place. Children who go to a primary school will be educated there from reception until Year 6.

All our infant and junior schools are linked and most are on the same site and have the same name. For admissions purposes they are:

- Dorothy Barley Infant School and Dorothy Barley Junior School
- Furze Infant School and Warren Junior School
- Manor Infant and Manor Junior School
- Thames View Infants and Thames View Junior School
- Village Infant School and William Ford Church of England Junior School

**What you must do**

By law, when your child is in a Year 2 class at an infant school, you must apply for their Year 3 place at a Junior school, even if you want a place at your child’s linked junior school. The closing date for all London local authorities to receive applications and supplementary forms for Year 3 places at junior schools is **15 January 2020**.

**Junior schools outside the borough**

If you live in this borough but your child goes to an infant school outside Barking and Dagenham, please contact the school or relevant local authority about their admissions procedure. If they confirm you need to apply through your home local authority (us) you will need to fill in and send us our junior common application form (JCAF). The form is available online. Please see pages 34 to 37 with instructions on how to fill it in. You can list up to three schools and should rank them in the order you prefer. Remember to check whether the school you are applying for needs you to fill in extra forms (supplementary information form - SIF). If they do, send your filled-in SIF to the local authority or the school before the closing date.

**Junior schools in our borough**

If your child has a Year 2 place in a Barking and Dagenham infant school and you want them to transfer to their linked Barking and Dagenham junior school, we will automatically make this application on your behalf (even if you live outside the borough). However, if you want to list different junior schools, you must fill in and return the relevant junior common application form (JCAF) provided by the borough you live in. We recommend that you list your child’s linked junior school as at least your third preference school, because your child will have priority for that school.

Applications for Barking and Dagenham residents will begin on 1 November 2019. You can list up to three schools and rank them in the order you prefer. If you live in the borough, you must apply online (www.lbdbd.gov.uk/admissions). If you live outside the borough, you will need to fill in and return the form provided by the borough you live in and list our junior schools on their form.

**Supplementary information forms – SIF (extra forms)**

Some junior schools are their own admission authorities and will need you to fill in extra forms to help them process your application under the right admission criterion. For these purposes, within Barking and Dagenham, only William Ford Church of England Junior School will need you and your minister to fill in the supplementary information form (SIF) if you want to apply under their faith criterion (priority 2 or 5). Don’t forget to give your minister a stamped envelope with the school’s address on it, so that they can return it to William Ford by the closing date.

**What happens next?**

It is always possible that there will be more applications for places than there are places available in your preferred school. When this happens, we use the admission criteria to decide who to offer places to. We explain the admission criteria for Barking and Dagenham community schools on page 41 and for William Ford Church of England School on page 31.

**Results**

If you live in the borough and your child goes to one of our infant schools and you did not fill in a Year 2 to 3 transfer form, your infant school will let you know on 16 April 2020 which junior school your child will go to in September 2020.

If you have filled in a JCAF (junior common application form), the local authority that you live in will let you know the results on 16 April 2020.

If your application is turned down, please see pages 21 to 22 about the appeal and interest list process.

**Late applications**

Applications we receive after the closing date will be dealt with as an ‘in-year’ application from July 2020. This process is listed on our website in the e-booklet ‘Finding a school place’.

**Applying for Year 3 places at primary schools**

We do not accept early applications for Year 3 places at any of the borough’s primary schools. If you would prefer to apply for a Year 3 place at one of our primary schools, you will need to apply in July 2020 and follow the ‘in-year admissions’ process listed on our website in the ‘Finding a school place’ e-booklet.
**Admission criteria**

**Priority 1**  Children who are or were in the care of a local authority. Please see note 1.

**Priority 2**  Children who have a sibling (brother or sister) at the school (or in the case of an infant school, the linked junior school) when that child is due to start school. Please see note 4.

**Priority 3**  Children at the infant school linked with the junior school.

**Priority 4**  Children who live closest to the school, measured in kilometres in a straight line (as the crow flies).

**Important notes**

1. Children with EHC plans are dealt with under the terms of the Children and Families Act 2014 and are not processed under the above criteria. Children with EHC plans will be offered a place at the school that is named on their plan.

2. A looked-after child is a child who is or was:
   - in the care of a local authority; or
   - being provided with accommodation by a local authority under their social services functions (see the definition in Section 22(1) of the Children Act 1989).

   For admission purposes we consider a ‘looked-after child’ to be a child currently in local authority care or a child who was in care but who became the subject of an adoption, residence, or special guardianship order immediately after leaving care (see page 14).

3. The child’s home must be the permanent address where they live with their legal guardian. This should be the address for your Council Tax and where any Child Benefit is addressed (see pages 12 to 13).

4. Sibling’ means:
   - a full brother or sister;
   - a half-brother or half-sister;
   - a stepbrother or stepsister; and
   - an adopted or long-term fostered brother or sister; living at the same address and going to the school applied for. Please make sure you name all siblings on your application form. If they are not listed on your form, we cannot take them into account.

5. All distances are measured using Synergy’s Geographical Information System, from the centre of the child’s home to the school’s main gate. Some addresses have different entry points and so we will use the designated co-ordinates provided from Local Land and Property Gazetteer (LLPG). If you live outside the area, we will use the same system to work out distances.

6. When children have an equal claim to a place because their measurements are the same (for example, from a block of flats), we will use a lottery system (random allocation) to offer places to children. Please write to us (the School Admissions Team) if you would like full details of the lottery system we use.

7. You should remember that going to a particular nursery class does not guarantee, or give priority for, a place at an infant or primary school. Also, going to a particular primary or junior school does not guarantee, or give priority for, a place at a particular secondary school.

8. We cannot consider other circumstances not listed in the admission criteria. It is important that we are consistent in our judgement and use only the admission criteria that have been agreed.

9. If we discover that we have given your child a place at a school based on false or misleading information, we will withdraw the place and may take legal action.

General advice and information

Starting school full-time should be fun. There are a number of points worth thinking about.
Visit the school with your child before they are due to start. You can then meet the adults working there and see other children busy with their activities.
Try to make contact with other parents or carers in your neighbourhood with children at the same place so that your child will get to know some adults and children beforehand.

Encourage your child to be confident in putting on and taking off their coat and shoes and putting them in the correct place when they are not wearing them.
Help your child to know the toilet routine. Encourage your child to tell an adult if he or she feels unwell or has an accident.
Some of the services that your child may need during their years at school are listed above.

Brentwood Diocese catholic schools cover note for extra documents for reception places at Barking and Dagenham Catholic schools – 2020 entry

Why you should fill in this form

If you want to apply for a reception place at one of our Catholic schools (under the faith criterion) you need to fill in this cover note and send it to us with the other documents we ask for. We set out our admission criteria for all Catholic schools on pages 26 to 29 of the ‘Starting school full-time in 2020’ admission e-booklet, which is available on Barking and Dagenham council’s website.

Important notes

• The closing date for applications is 15 January 2020. Our school may not offer your child a place if you do not provide all the forms and documents we and the admissions team need.

• If you post any forms, it is your responsibility to make sure you pay the correct postage charge, as we cannot accept any responsibility for underpaid or lost packages.

• If we discover that we have offered a place based on false information, we will withdraw the place.

What you need to do

1. **Common application form (CAF)** - You must fill in and return the CAF to the borough or council you live in by the closing date (15 January 2020). If you live in Barking and Dagenham, you can apply online at www.lbbd.gov.uk/admissions. See the admission e-booklet for more information about other ways to apply.

2. **Cover note** - You should fill in and return one cover note for each child, for each of the Catholic schools you list on your application. Send your cover note to the relevant schools together with the original documents listed below.

3. **Baptism documents** - If you want your child to be recognised as a Catholic or as being baptised you should send the relevant schools a photocopy of your child’s baptism certificate (or certificate of reception into the Catholic Church).

4. **Certificate of Catholic practice (CCP) form** - If you want to be considered as a practising Catholic you must meet with your parish priest so he can give you a CCP which you must then send to the relevant catholic school, with the extra documents they have asked for. If your priest is not local and is unfamiliar with these requirements, please ask him to contact the relevant catholic school admissions officer.

5. **Proof of address and identity documents** - We will need to see the originals of these documents (listed in the Starting School e-booklet above) and we also need you to bring photocopies of these documents with you for our school to keep.

What you need to do
If you want to apply for a reception place at St Margaret's (under the faith criterion), you need to fill in this supplementary information form (SIF) as well as the common application form (CAF) provided by the borough you live in by the closing date. If you live in Barking and Dagenham apply online at www.lbbd.gov.uk/admissions. See the ‘Starting school full-time in 2020’ admission e-booklet for more information about other ways to apply. You must fill in one SIF for each child wanting a reception place at this school. If you want your application to be considered under our faith criteria, make sure you fill in and sign section A and take your form to your clergy (church leader) where you normally worship in time for them to add their reference in section B. The information you provide will allow us to give our places in line with the admissions criteria. We set out our admissions criteria on pages 30 and pages 36 to 37 of the admission booklet. Send your filled-in SIF to the school together with the original documents listed over the page. We must receive this filled-in SIF form by the closing date.

Important notes:

• If you post any forms, it is your responsibility to make sure you pay the correct postage charge, as we cannot accept any responsibility for underpaid or lost packages.
• Our school may not offer your child a place if you do not provide all the forms and documents we and your local authority’s admissions team need.
